The junior class of the University of California elected a woman president for the second semester. There the lower classes have a set of officers each semester. The following lines are quoted from the Jester, the comic publication of Columbia University. They are entitled "Hamlet's Soliloquy on Cribbing."

"There is a crib for children.
There is a crib for kine,
The crib occurs in cribbage,
It's the frame-work of a mine;
In lumbering it's also found—
It's used in building dams—
But the place where it is seen the most
Is in college at exam."
