HOUSE BILL 169

Now in the Hands of Standing Committee.

It Will Probably be Voted on Today or Tomorrow.

House Bill No. 169 which, if passed, gives the board of regents of the University power to institute condemnation proceedings against certain tracts of land lying just north of the present northern limit of the campus, has already been referred to a committee and will probably be referred back to the house and voted upon today or tomorrow. The student body generally has been ignorant of the progress of this bill, and in fact of its real content and purpose, and nothing but the merest details were to be obtained. After the final disposition of the bill its contents more in detail, will be given out.

Men Shut Out.

The girls' basketball tournament this year is to be held in the afternoon, Friday, at 2 and instead of being made generally public the games will be witnessed only by women. Just why those in charge saw fit to deprive the men of this unusual opportunity to display an absolutely unselfish class loyalty is not known. It is aimed, this year, to make this contest one more for fun than for the strenuous strife for honor. Megaphones, class penants, songs and yells will be very much in evidence and the rivalry, while intense, will be fun, primarily. The fun of the afternoon begins at 1:56 with a procession, the renowned ladies Boston band of county fair fame, leading, the Senior team, Senior mascot, Junior team and mascot, etc., following.

The Junior girls, the present holders of the championship penant, will apparently have all they can do to defend their title, for the other three classes are very determined to have it for their own.

The games will be played Seniors vs. Juniors, Sophomores vs. Freshmen, final between winners. Mrs. Clapp and Miss Pound will officiate.

A nominal charge of 10c is to be made to defray the slight expense necessarily incurred.

Colorado.

Monday, the 13th, at 8 p. m., Mr. and Mrs. Gilbert McClurg, of Colorado Springs, Colo., will deliver an illustrated lecture in Memorial hall. The lecture "Panoramic Colorado," is profusely illustrated, two hundred rare and beautiful lantern projections being used during the course of the evening. Mr. and Mrs. Gilbert are sent out over the United States by the state of Colorado to advertise that state, and this fact proves them to be the very best in their line. Last year among other engagements were included the universities of Princeton, Columbia, Michigan, Wisconsin, Virginia, Texas, Wesleyan and Brown, and at these schools they received the greatest expression of appreciation of their lecture. Press comments innumerable testify to the excellency of this lecture at various large eastern cities. In their lecture Mr. and Mrs. McClurg describe and picture the Cliff Dwellers, Pike's Peak, Native Animals, Garden of the Gods, Manitou, Cheyenne Mountain, Cripple Creek Gold Fields, the extensive industrial plants at Colorado Springs, Denver, Pueblo, etc., and many other features which make the state of Colorado noted. The lecture is free.

FRESHMEN ELECT

Fill the Offices for the Second Semester.

The Freshmen met yesterday at 11 a. m. in Memorial hall and elected officers for the semester. Several of the upper-classmen were present to instruct the "freshies" in the art of reorganization but no attempt was made to interfere with business of the meeting and it passed off quietly. Harry L. Swan, of Omaha, was the unanimous choice of the class for the office of president. Ohio N. Munn, Alpha Theta Chi, was elected secretary. Miss Florence B. Tillotson, of Omaha, was elected vice-president by unanimous vote. Charles F. McLaughlin, Phi Delta Theta, received the majority of votes for treasurer. Hugh E. Wallace, Alpha Theta Chi, was the unanimous choice for class attorney.

After the election of class officers a report of the committee on class yells was called for and the chairman reported that nothing had been done. The president was instructed to appoint a committee on class colors, which should report several selections at the next meeting, at which time the class will vote on them.

The 1908 constitution provides that the finance committee shall be elected by the class. President Swan requested the privilege of appointing this committee and on motion of Mr. Wallace the request was granted by the class.

Still Hung Up.

Nebraska's football schedule for 1905 is still far from completion. The same old unsettled difficulties among certain teams in the Conference are keeping colleges with which Nebraska is in communication from completing their dates, and so we are kept on the anxious seat.

In another direction there is a failure to reach an agreement satisfactory to both regarding terms on which the game is to be played. Some of the minor games, coming earlier in the season, have been scheduled but arrangements have not progressed far enough in the Big Nine direction for us to be certain of a single conference game. Just how long this uncertain condition of affairs will last it is hard to tell. That present difficulties will soon right themselves is almost certain and word from the east is expected any day. All that can be has been done by the football management, and now there seems to be nothing left to do but to wait.

Twenty-one meals for \$3. Dormitory Cafe.

OMAHA TONIGHT

'Varsity Against a Strong and Determined Team.

Tonight the 'varsity five meets the basketball five representing the Omaha Y. M. C. A. and a close game is to be looked for. They will have the advantage of having played together for years and the consequently increased knowledge of each other's playing. Since their return home the 'varsity has been practicing diligently and a victory should result. However the game will be well worth seeing. Tickets are on sale at the Co-op. Reservations are made without extra charge.

Seniors Meet.

The Seniors held a short business meeting yesterday in the Chem. Lecture room. President White stated that the purpose of the meeting, primarily, was to bring up the matter of commencement invitations. Upon motion the President appointed an invitation committee, composed of J. B. Gibbs, Miss Ruth Woodsmall and Miss Alene McEachron, with full power to decide upon the style, price, shape, etc., of the commencement program. Miss Towne urged that all Senior girls be present Friday afternoon at 2 to cheer for the '06 basketball team in its contest with the other class teams for the girls' inter-class basketball championship. M. J. Brown, manager of the Senior Annual, stated that if everything went well the Senior book would go to press about the fifteenth of this month, and would appear some three weeks later. He urged, too, that there be a good sale of these books, for any money left after paying bills will be turned over to the Senior Play Committee and used to defray the expense of getting up the play. This will result in cutting down the individual assessment if the sale of the Annuals is large enough.

Freshman Laws Elect.

At a meeting of the Freshmen Law Class held in Room 207 Neb. hall yesterday morning Arthur G. A. Nelson of Shickley, Nebraska, was overwhelmingly elected president of that organization. Mr. B. C. Johnson was unanimously elected vice-president, Mr. Edward Affolter, Secretary, and Mr. Wm. Parriott, sargeant-at-arms. Appreciation was extended to the retiring officers for the valuable services which they have rendered during their term of office.

ARE PATRONESSES

Faculty and City Ladies Lend Dignity to Concert.

Meyer to Play—The Committee Will Meet Tomorrow.

Mr. Dirks, manager of the home concert to be given by the Glee club at the Oliver one week from tomorrow, has requested the following prominent faculty and city ladies to act as hostesses at the concert:

Mrs. J. H. Mickey.
Mrs. E. B. Andrews.
Mrs. L. A. Sherman.
Mrs. E. W. Davis.
Mrs. C. E. Bessey.
Mrs. C. A. Burnett.
Mrs. Roscoe Pound.
Mrs. H. B. Ward.
Mrs. Willard Kimball.
Mrs. A. E. Hargreaves.
Mrs. J. B. Wright.
Mrs. C. F. Ladd.
Mrs. W. B. Hargreaves.
Mrs. H. P. Eames.
S. H. Burnham.
Mrs. W. Jennings Bryan.

Lincoln people are showing unusual interest in the Glee club this year. Most of the boxes have been taken by city people and a large number of others are planning to attend. The support from the faculty, too, will be all that can be asked for. A great deal of help has already been given the management by different members of the faculty, and there is a feeling of hearty co-operation prevalent.

Yesterday Manager Dirks disposed of the last of the lower boxes, and the upper boxes will doubtless go soon, as numerous inquiries have been received regarding them.

Seats have been placed on sale at Harley's drug store and at the theater box office. Reservations, however, cannot be made until Monday, the thirteenth, unless made through Mr. Dirks.

Mr. C. L. Meyer, '07, will render a number or two on the flute at the concert. Mr. Meyer has made quite a reputation for himself as a flute player, and will add greatly to the merit of the program to be given.

Reservations for seats in blocks will have to be made before Friday of this week. Organizations desiring seats in a body should take advantage of this and make immediate arrangements as Friday is the last day.

The Glee club committee will meet for the last time tomorrow in U 106. All members of this committee should make it a point to attend this last meeting.

Dean Bessey Sunday.

Sunday morning at 9 o'clock Dean C. E. Bessey will address University men and women on a subject appropriate to the observation of the "Day of Prayer for Colleges." This meeting will be held in Memorial hall and because of Dean Bessey's popularity and well known ability, the hall should be filled. Special music will be furnished. This service will close promptly at ten in order that those in attendance may be present at the usual church services of the city.

Hair dressing, shampooing at the Famous.
