## 'VARSITY LOSES

The Omaha Y. M. C. A. Victor by One Point.

Whirlwind Finish Fails to Bring Victory for 'Varsity.

The second game of basket-ball on our own floor resulted in another defeat for Nebraska, the Omaha Y. M. C. A. being the victors by the scant margin of one. The Christians' work, especially during the second half, was excellent, and the goal shooting of their forwards at times sensational.

On the part of the varsity, inaccuracy in goal throwing, long slow passes and considerable fumbling were too much in evidence.

Omaha won choice of goals and took the east. The Christians began the scoring with a field goal, Hagensick evening matters immediately with one for Nebraska. Both sides scored from foul, then both missed a double foul. After some time of futile foul calling and passing, Burruss threw a field goal and "Hagle" scored from a foul. For a time our forwards seemed unable to locate the baskets, centre and forwards getting away from their men time and again, but failing to score. Finally Hagensick shot a goal and then scored from foul. Nebraska began to cut down the length of her passes and her work immediately began to improve. Again several easy shots for goal were missed and a good many passes were fumbled. Omaha scored a goal, and then one from foul after a lapse of two minutes. The first half ended with both teams scoring from a double foul, making the score 12-11 in favor of the varsity.

At the beginning of the second half Omaha threw goal from the foul line, which tied the score. For a short time the score zigzagged back and forth, first in favor of Omaha and then in the varsity's favor. Omaha then took a brace and pushed the score up nine points above the score of the varsity. With about three minutes to play the varsity changed the tables and scored a few. Never was there a better exhibition of basket-ball seen on the Armory floor. By quick passes and sure goal shooting the score stood 29 to 30 in favor of Omaha and thus the game ended.

One of the sensational plays of the second half was a back pass from the middle of the floor which resulted in a goal. This throw was made by Hansen of Omaha. Hagensick was not up to his usual form in throwing goals from the foul line, while Clarke of Omaha hardly let a chance pass to score from the foul line.

For Omaha the work of Hansen at center was most worthy of comment. In fact, Hansen was the mainstay of the team. Nebraska's men all did excellent work, but were prevented from their usual fast team work by the number of fouls committed by the Omaha men. The team work of Omaha was very good and several long, sensational passes were the feature. For Nebraska, the work of Moser is especially worthy of mention. The line-up is as follows:

Omaha.	Nebraska.
Clarke	Forwards.
Willard, G.	Hagensick
	Burruss
	Center.
Hansen	Moser
	Guards.
Willard	Bell
Anderson	Hoar
Substitutes—Omaha, Harris;	Ne-
braska, Krake, Beers and Meyer.	
Referee—W. N. Nelson.	
Umpire—Dr. Clapp.

### Mass Meeting.

A girls' mass meeting has been called at chapel hour this morning. Chacellor Andrews, Professor Wyer and Miss Howells have been announced as speakers. An injunction of secrecy seems to have been put upon the purpose of the meeting. It is under the auspices of the Y. W. C. A. and is presumably called for the purpose of considering matters in connection with the Temple fund. At any rate, every University girl who professes to have college spirit should make it a point to attend the meeting.

### Rev. Batten at Chapel.

A fair-sized crowd assembled at convocation yesterday to hear Rev. S. Z. Batten talk on "Lessening the Effort and Doubling the Power." The speaker urged the students to cultivate the habit of concentrating the entire attention on their work when studying and stated that they might in this way increase their power and at the same time lessen the effort. The speaker was inclined to think that a habit once begun was seldom broken away from, and therefore urged the students to begin right at first, instead of putting off the change for the better until some future time.

### New Fraternity.

The Masonic Association, composed of Masons in the University, recently organized in the University, has been granted a charter in the Acacia fraternity and the chapter will be installed next Friday night. The new fraternity will have active members in both the faculty and the student body.

The Sophomores have selected a class play and parts have been given out. The title of the play has not been announced, but according to a member of the caste, it is a roaring comedy. The players have been carefully selected, all of them having had previous experience before the footlights. The production will be ready for presentation in about two months.

For Furs see Steele, 143 S. 12th St.

### AWARDS SWEATERS

Both 'Varsity and Scrub Players Rewarded.

The Athletic Board have secured the measurements and ordered the sweaters for the varsity players. These sweaters will be made according to orders and will be of a fine quality. The men getting the "N" sweaters are Barta, Barwick, Bender, Benedict, Borg, Cotton, Craig, Eager, Hunter, Johnson, Mason, Glenn, Weller and Mills. A sweater will also be given to Manager Davis. The men had their choice between the vest sweater and the regulation sweater.

In a recent meeting of the Athletic Board it was decided to give this year substitutes and members of the second team who have played two years sweaters. These are to be the regulation sweater, but no "N" is to be awarded with them. The men chosen to receive these sweaters are Birkner, Burns, Denslow, Drain, Fenlon, Frazier, Laird, Lantz, Lundin, McDonald, Marsh, Reddick, Robertson, Shook Standeven, Cramer and Assistant Manager Morrison. These men have done hard work on the squad and the Athletic Board have shown their appreciation by giving the sweaters. The measurements have not all been taken for these sweaters, but the order will be sent in a few days.

Two more games will be played at home before the team starts on its eastern trip. Saturday evening, February 11, at 8:00 o'clock, the varsity five will meet a team from Baker University of Baldwin, Kansas. At 8:00 p. m. on Friday, February 17, the Kansas City Y. M. C. A. of Kansas City, Mo., will be on the floor of the Armory for a game. The team will probably start east on February 20.

If you got it at Armstrong's, it's right.

## PROM. PROGRAM

Few Dances and Long Encores the Order.

Arrangements Completed and a Good Dance Assured.

The Junior Prom, the society event of the year, comes tomorrow night. From the beginning of University functions the Junior Prom. has rightly held the first place, and this dance continues to be the most important, the most elaborate, and the one looked forward to most by those in school socially inclined. This year the Prom. promises to be as good as ever. With a social reunion in mind, the committee has sent out invitations to a large number of old Uni people and many of the old-timers have signified their intention of being present. The usual decorative scheme, consisting of flowers, palms, Uni colors, pennants, etc., will be followed out. The dancing hall and promenades will both be fully decorated in this manner. "Tommy," a now almost necessary adjunct to the enjoyment of dances, will be on hand to preside over the punch bowl and this part of the affair will, therefore, be well cared for. The music will be furnished by Eddie Walt's full orchestra, and will, of course, be unexcelled. Mr. and Mrs. M. M. Fogg and Mr. and Mrs. Chas. E. Matson are to chaperone the dance.

The committee has very wisely decided upon a short program; that is, short in point of numbers, there being only sixteen dances with two extras. From every point of view the short program is the more desirable. When the time for dancing is so limited as it is here a greater number of dances simply means a series of short, spasmodic circles of the hall, a wild chase for a new partner and so on. All this hurry is done away with by a fewer number of dances, which allows for longer dances and more frequent encores, usually the best of the dance. The program of dances is as follows:

1. Two-step—From Opera Woodland.
  2. Waltz—A Kiss for Each Day.
  3. Two-step—The Troubadour.
  4. Waltz—The Mermaid.
  5. Two-step—Back, Back to Baltimore.
  6. Waltz—Queen of Hearts.
  7. Five-step—In the Days of Old.
  8. Two-step—My San Domingo Girl.
  9. Waltz—From Sho Gua.
  10. Two-step—Bubbles.
  11. Waltz—From Fantana.
  12. Two-step—Gallant Hearts.
  13. Five-step—Dainty Little Ingenue.
  14. Waltz—Dream of the Dance.
  15. Two-step—Palm Leaf Rag.
  16. Waltz—From Il Trovatore.
- First extra—Two-step—The Bugler.  
Second extra—Waltz—Peggy O'Neill.  
Dancing will begin promptly at half after nine.

### In Moot Court.

The case of Joseph Melcer vs. The Nebraska Telephone Company will be tried in the district court of the Law School Saturday. This case was scheduled for last Saturday but was postponed. The counsel for the plaintiff in error will be B. J. Gibson. A. Jennings will be the counsel for the defendant. The case will be tried before Roscoe J. Anderson, judge of the district court of the Law School.
