The Medical Society of the University will meet tomorrow evening in M 301. Dr. Bolton will talk on "What is Mind?"

The Dramatic club has announced the names of two plays which will be presented in about three weeks, "Mr. Bob" and "My Lord in Livery." Two clever farces will be the source of an evening's entertainment.

The Glee club committee met yesterday and made final arrangements for the home concert which is to be given one week from yesterday. Owing to the fact that the armory floor cannot be put in good condition because of being constantly in use it was decided to hold the reception immediately after the concert in the Art hall. This hall is large enough to accommodate a considerable number and the floor can be put in excellent condition. Eddie Walt will furnish the music at the reception. Two committees were appointed to take charge of decorating the theater and the Art hall. The first is composed of Miss Archibald, chairman, Mr. Sprague, Mr. Ramsey, Mr. Adams, Mr. Thompson, Mr. Wilson, Mr. White, Miss Morgan, Miss Bunt, Miss Lumrie, Miss McEachron, Mr. Brown, Mr. Borg, Miss Cooper. The second is composed of Max Meyer, chairman, Mr. Johnson, Mr. Lundin, Mr. Van Burg, Mr. Weeks, Mr. Eager, Miss Woods, Miss Butler, Mr. Beers.

Another feature has been added to the program of the concert. A stunt, new to the present students, but old to those of former days, is to be given. What the stunt is will not be made public for some days. It is good, however, so good that those who have seen it still speak of it whenever a Nebraska Glee club is mentioned.

TOURIST CARS POPULAR

The idea that an inferior class of people patronize the tourist sleepers is an error. On many trips only the best class of travelers are found. They are merely men and women of good sense who would rather travel
