## SOPHOMORES WIN

Was a Very Close Game of Basketball.

Varsity Won From Lawrence University Thursday Evening.

One of the most exciting games of inter-class basketball ever witnessed on the armory floor took place last evening. The Sophomores won from the Freshmen by a score of 22 to 19. This indicates the closeness of the game, which was anybody's game until the last.

The team work of both teams was of a very high order and many times the ball would be passed back and forth, first in the hands of one team, then in the other for some time before any one would get a try for a basket. The score at the end of the first half stood 10 to 12 in favor of the Sophomores.

At the beginning of the second half by a goal from field and foul line Kewitt put the Freshmen in the lead. From this until the last five minutes of play they retained the lead, but the Sophomores took a brace and by quick work and good basket throwing they ran the score up to 22 to 19 where it remained until the end of the game.

For the Freshmen Kewitt did the best work, making 13 of their 19 points. Haggard and Harvey also did good work. Meyer was the star of the Sophomore team and of the evening. He made 16 points for the Sophs. His work from the foul line being great. Smith Bowman and Copeland also did good work.

The lineup was as follows:  
Freshmen. Sophomores.  
FORWARDS.  
Kewitt (captain) ..... Smith  
Haggard ..... McDonald  
..... Copeland  
CENTER.  
Fowler ..... Meyer  
GUARDS.  
Hrabesky ..... Bowman (captain)  
Harvey ..... Jones

The varsity basketball team has struck the winning gait again and won the two last games. Thursday evening they defeated "Deac" Koehler's colts by a score of 37 to 24. The Lawrence University team is composed of tall men, four out of the five being over six feet in height. The varsity used the low, short pass to good effect with the tall boys and won the game.

The team played last night and tonight with Chicago teams.  
The lineup in the Lawrence game was as follows:

Lawrence ..... Nebraska  
FORWARDS.  
Volk ..... Barruss  
Sixsmith ..... Hagensick  
CENTER.  
Sperger ..... Moser  
GUARDS.  
Pride (captain) ..... Hoar (captain)  
Wingender ..... Bell

### Baseball Prospects.

On the heels of a promising baseball schedule comes the word from Capt. Bender that great strides are being made towards the development of the men to fill the bill.

On Monday evening a man with a reputation will join the twirlers squad. The captain expects Pruyne from Schuyler to show up in good shape, and regrets that sickness has kept him away until this late hour. He will take law work.

## Non. Com. Hop Fraternity Hall, March 3

Last Dance Before Lent  
Tickets, \$1.25 \* \*

The other four candidates that have made good in the box to the present time are Morse, Dirks, Nilsson and Dort. Bob Hyde, Camel and Barta are doing good work with the big mit. If the weather permits the large number of candidates for the other positions will be taken out of doors the latter part of the week, therefore everyone wishing to try out is urged to hand his name to the captain.

### Soph. Play and Party.

Quantities of yellow and blue tags on which are printed the melo-dramatic words "A Rank Deception," have been conspicuous on the campus for the last few days. These words, however, by no means indicate the character of the Sophomore play and party which will be given this evening. This double headed entertainment is far from being a rank-deception. Several months have been spent in preparation of the play and its presentation by able and experienced players will undoubtedly prove a success. After the play which will occur in Memorial hall a dance will be given in Art hall. Excellent music has been engaged and the floor of the hall has been specially prepared for this occasion. Such a combination of play and dance will appeal to students of all temperament. Those who object to dancing will be well repaid in the enjoyment of a new and up-to-date play. Those who have scruples as to the propriety of theater going will find entertainment in the dance after the play.

No form of "graft" which has characterized some class parties in the past will enter into this function. The very small price of 35 cents per capita will go toward payment of expenses and the surplus will be applied to paying the expenses, incurred in a Sophomore representation in the Sombbrero. The play and party is not restricted to Sophomores and members of other classes, as well as outsiders are cordially invited to attend.

The privilege of hearing Miss Ruth Paxson, National Secretary Y. W. C. A., is open to all students and friends of the city Sunday night at First Baptist church, Fourteenth and K streets.

The fire sale at the Uni. Book Store is still going on and bargains are still the order of the day.

### Men's Mass Meeting.

"Things Wrong End To" may not be the best condition of things but it will be the basis of an unusually strong and brilliant address at the Men's Mass Meeting Sunday at four o'clock in the Oliver Theater. Those who have attended this series of meetings are unanimous in pronouncing it one of exceptional strength and power. These addresses have drawn an average of over one thousand men each Sunday and if next Sunday's audience is to be measured by the quality and worth of the address, the theater will be filled to its greatest capacity. Too much cannot be said in praise of Mr. Morgan Wood, "The Platform Magnet," who is to speak on this occasion. While Mr. Wood is a comparatively young man, his ability to sway immense audiences is known and recognized far and near. Of him the Boston Globe said: "Full of fire and eloquence." Concerning his power to thrill his audience the Montreal Witness says: "For popular power Mr. Morgan Wood must be awarded the palm. He took the audience by storm and shook it as reeds by the wind."

"Mr. Wood held the audience spell-bound, now hushing them into rapt silence, as some graphic scene was portrayed, then convulsing them with laughter, as he related some amusing story to enforce the truth."—Saginaw (Mich.) Courier-Journal.

With such enthusiastic press comments, we are assured that college men will be privileged to partake of a rare treat. There will be but a few more of these Greater Men's Mass Meetings and University men are urged to take advantage of everyone of those remaining.

Doors open at 3:30. Those desiring good seats should be there at that time.

Elliott's Sutorium, cleaning, dyeing and repairing. Prices reasonable. 1136 O street. Both phones.

A lunch at the city Y. M. C. A. Spa is just the thing for Uni. students.

## ADOPT NEW RULES

A Complete Set of Regulations to Govern Uni. Cadets.

A Considerable Number of Changes are Made by Regents.

A complete set of regulations to govern the University Cadet Corps was adopted by the Regents at their last meeting. A considerable number of changes were made. Worthy of note, whether new orders, changes, or ones already in effect, are the following:

10. "The reprieve of thirty cadets each semester for the purpose of participating in athletics is authorized. A reprieved cadet is under obligation to discharge his military obligations the succeeding semester."

41. "Any cadet who begins, excites or is a party to any disturbance which shall in any way interfere with military work, shall be liable to dismissal from the University. Any student other than a cadet who similarly acts shall be likewise liable."

51. "The Commandant shall be saluted at all times."

"Passed by the Regents on basis of Commandant Chase's recommendations dated Feb. 7, 1905."

### Annual Banquet.

Every member of the association should take the initiative and see that he has a ticket in his possession.

Among the prominent out of town guests will be Chas. D. Hurrey, a graduate of the University of Michigan, and now located in Chicago; J. P. Bailey of Omaha, State Secretary Y. M. C. A., who will act as toastmaster, and L. J. Marsh of Grand Island, a former president of the University association and a graduate of this institution.

It is expected that Chancellor Andrews will be present at the Seventh Annual Banquet of the University Young Men's Christian Association on the evening of March 3 at the Lindell hotel. The banquet will begin promptly at seven-forty-five and will be an innovation in many respects. In the first place it will begin exactly at the time set, and in the second place it will close early enough to permit a good night's rest. There will be a first class menu, and a few short, crisp toasts by men prominent in college athletics and other activities, as well as men of state and national reputation. Those who have not taken in one of these association banquets are referred to those in attendance last year for a testimonial of the good time to be had next Friday evening.

### Debating Club Meets.

The Students' Debating club will hold its regular meeting this evening in Union hall. Parliamentary scrap will commence promptly at 8 o'clock and all members are urged to be present on time. The following question will be debated:

Resolved, That the South is justified in suppressing the negro vote.

J. H. Sherlock will open fire for the affirmative and A. N. Mathers will respond for the negative. R. E. Waldo will close for the affirmative and R. J. Anderson for the negative.
