Dr. Pound was again disappointed in his attempt to secure a speaker to address the law students Monday evening. Several times speakers have been announced to give "Monday evening talks," but each time something has prevented them from appearing. Dr. Pound has declared his intention of having several speakers "on deck" for each week so that if one disappoints him he can secure another on short notice. Hon. A. S. Tebbets is announced to speak on some practical legal question next Monday evening.
