At California the manager of the Junior Annual is bonded to the extent of \$5,000.

Michigan defeated the First Regiment of Chicago in an indoor track meet Saturday by a score of 53 to 11. The soldiers won only one first, the pole vault.

Hereafter the women of Chicago University who take first place in any athletic meet or make a place on any first team will be rewarded with pins having the letter "C."

The University Circus which was recently given at Minnesota University ended with a deficit of \$250 which is to be made up by a gymnastic and fencing exhibition in the near future.

In an exhibition Wednesday night in the gymnasium of the Chicago Athletic Club, Ralph Rose put the sixteen-pound shot fifty feet four inches. This breaks the world's record, but it will not stand as it was not made in competition, nor in a sanctioned meet.

The University of Illinois baseball team will play eighteen collegiate games of ball this spring. Of these eighteen four each will be played with Chicago, Michigan and Wisconsin, leaving only Wabash, Purdue, Northwestern, Armour Institute and Nebraska to be played.

President Harper of the Chicago University advocates abolition of Thanksgiving football games. He says: "The abolition of Thanksgiving football games in western colleges is recommended. It is with reluctance and regret that Thanksgiving as a day of home turning and family reunion is destroyed, and especially the attitude taken toward the matter by the colleges in destroying these characteristics. It is recommended that the last football game be held on Saturday preceding Thanksgiving, as at eastern colleges."

Nearly every student in the University has some chosen place in which to spend his leisure hours away from the grind of study. The popularity of the Auditorium skating rink for this purpose seems to continue indefinitely. A large percent of the students find the rink an excellent place to enjoy a few hours away from the wearisome sight of books and a large crowd of them may be found there each day.
