## REPEL ATTACKS

Freshies Hold Class Meeting in Spite of '07.

A Few Sophomores Attempt to Gain Admittance But Are Thrown Out.

One of the most interesting class meetings of the year was held in Memorial Hall yesterday morning at Chapel time. The attempt of the Sophomores, strenuous as it was for those who participated, was poorly organized and with the aid of "the big man with the big stick" the Freshmen were able to overpower the intruders and proceed with their regular business.

The Freshmen sent a committee to the janitor and asked permission to use the room down stairs instead of the Chapel and their request was refused because a 11:30 class was scheduled to meet in the room. The committee then agreed to see that the room was vacated before the time for the class but still the janitor refused to grant their request and they took possession of the room in spite of his orders to the contrary.

A few moments later three "Sophs" ran up the stairs to the Chapel and a bunch of Freshmen followed. A tussle ensued and "the big man with the big stick" came to the aid of the Freshies. The Sophomores were compelled to retreat and the Freshmen proceeded to transact business, heard the report of the finance committee and a few remarks from its chairman who asked all committee chairmen to get receipted bills and thereby lighten the burden of the finance committee.

L. D. Callahan was appointed manager of the Freshman baseball team and R. M. Burrus was appointed to manage the Freshman track team.

### More Collectors.

President Costelloe, of the Junior Class has added the names of Misses Jennie Whitmore and Jane Blanchard to the committee to raise the assessment on the much talked of "Cap Fund." The four members appointed a month or so ago to collect this money found the task too great for such a limited number on the committee, claims Mr. Costelloe, and the addition of the two young ladies will facilitate the collection of the needed money very much. It is expected that the two recent members of the committee will confine their work mostly to the girls in the Junior Class.

The committee will collect twenty-five cents from each member of the class, and when this is collected the Juniors claim the entire outstanding debt will be paid and it is hoped that the members will all dig up as the committee desires to turn a surplus over to the class to be used for other necessary expenses.

The committee authorized to collect the money is as follows: Messrs. Roy Pierce (chairman), A. H. Wellensick, M. F. Costelloe, A. G. Schreiber and Misses Blanchard and Whitmore.

The second gymnastic contest was held in the gymnasium Wednesday evening and was won by Johnson, who secured 149½ points in the six pieces of apparatus.

The other contest was held about one month ago on the horizontal and parallel bars, and tumbling. The contest Wednesday evening was on the flying rings, long and side horse. The same men participated in both contests with the possible exception of two.

It has not been decided yet which men will make the gymnasium team which is to represent Nebraska at Chicago in the Western Inter-collegiate Gymnasium Meet. This meet will be held about the first of May. The men who won the events Wednesday and the points received are as follows:

### In Good Condition.

Wednesday night, in the last practice game of the season, the 'Varsity basketball team defeated the scrubs 28 to 21. Last night only signal practice was held. The men are all in the best of trim and will put up the best article of game tonight against the Omaha Y. M. C. A. that has been seen on the Armory floor this season.

### Sigs Victorious.

The second of the inter-fraternity baseball games was played yesterday afternoon between the Sigma Chis and the Kappa Sigs. The game was a whirlwind from every standpoint. Even old nature took up the spirit of the game and assisted the twirlers in putting on the "English."

Heacock, who pitched for the Sigma Chis surprised the "fans" with his speed and "Scotty" froze onto them with the big mit, like some men go their seats in a street car full of women.

The K. Street Team proved to be the sluggers, although Stevens did find the hole in their bat occasionally. The Kappa Sigs found Heacock quite often, too, and put several nice ones out into the lot.

The game lasted for seven innings and concluded with a score of 21 to 16 in favor of the Sigma Chis.

## LEAGUERS TO-DAY

Chicago Americans vs. 'Varsity on Campus at 3 P. M.

'Varsity Handicapped By Lack of Practice — Probable Line-up.

The Chicago White Sox will meet Nebraska this afternoon on the 'Varsity campus. Manager Allen's announcement, the first of the week, in regard to this game has caused considerable excitement in baseball circles.

It is the first time since '96 that a major league team has appeared in Lincoln. For this reason a good crowd of the local baseball fans are expected out this afternoon to watch the old men and ones who play the game as a professional performs.

The Nebraska baseball team has not been picked very definitely yet, but Captain Bender will have decided by tomorrow pretty definitely what men he will send in to play for Nebraska.

University and Lincoln fans will be especially interested in watching the men who are among the fastest in the country. The White Sox possess several players who are commonly considered without peers at their positions. Isbell is considered the ideal first baseman. Tennehill is noted for his marvelous fielding at third base and Callahan, Jones and Green stand near the head of the list of fielders in the American League. The White Sox squad consists of the following players, all of them well known to University fans by reputation.

- Catchers—Sullivan, MacFarland.  
 Pitchers—Owen, Patterson, Smith, Altrock, Walsh and White.  
 First Base—Isbell, Donahue.  
 Second Base—Dendon, Atz.  
 Third Base—Tannehill, Clark, Rohe.  
 Short Stop—Davis.  
 Left Fielders—Callahan, Holmes, Stanley.  
 Center Fielders—Jones, Kerwin.  
 Right Fielders—Green.

### Tennis Men Meet.

Thirty tennis enthusiasts were present at the first meeting of the Tennis Club held yesterday morning. Mr. Persinger was re-elected president of the Club and Mr. Cossady was again given the position of manager. Mr. Mathew was elected secretary-treasurer. The number attending this, the first meeting of the year, was unusually large. A good number of new men were present, and all were elected to membership.

Games will be played with Iowa teams in Iowa. The manager will also arrange several meets to be played off in Lincoln. A game between Wesleyan University and the second team has been fixed. Several prizes will be offered for individual work with the racquet and with the enthusiasm with which the tennis season is opening Nebraska should have a championship team this year. The dues for this year were not changed from those of former years. Initiation fee is \$2.00, with a semestral fee of \$1.00.
