**Y. W. C. A. Notes.**

The Y. W. C. A. meeting Sunday was a recognition service for the new members who have joined the association this semester. Miss Archibald presided and the general singing was led by a chorus of Y. W. girls. Mrs. Cornell and Mr. Bostrum sang the special solos. Miss Morgan, chairman of the intercollegiate committee, read Easter greetings from the Y. W. C. A. at Fayetteville, Ark., Kansas City, Kansas state normal, Peru and the State University of Missouri. Miss Grace Coppock spoke on "Why We Join a Christian Association." The remainder of the meeting was devoted to regular Y. W. C. A. recognition service and sixty-nine new members were formally received into the association.

The afternoon session is from 2:30 to 4:30. There will be a basket lunch at 6, the evening session beginning at 7:30. The speakers will be Messrs. Shelton and Hicks, who are well known as evangelists all over the country. All women students are cordially invited to attend as many sessions of the meeting as possible.

From now on the noon meetings will be in charge of the Senior girls. The leaders for the rest of the week and May Thomas, Wednesday; Edith Ward, Thursday; Maud Wilson, Friday.

Robt. L. Dunn, special war correspondent for Colliers' Weekly, will deliver his famous lecture "First in Korea" showing stereoscopic pictures of actual war scenes during the Russian-Japanese engagement at Chemulpo, in St. Paul's church, Thursday eve, May 4th. Admission 25c.

Some time last year Dr. Bessey was elected to the board of trustees of Doane college. He is planning to attend the annual meeting, which takes place in June about the time of the Doane commencement.

The class in botany 2 has now reached the flowering plants, and are peering over the structure of Myosurus, a little plant which grows on the bottoms west of town, and the Austrian pine, which is on the campus and in many dooryards in the city.

Although the Auditorium roller skating rink closes for the season this week, interest does not lag. One of the best crowds of the season witnessed an interesting card of events last evening, and the race between Miss Dora Hellman and Miss Mabel Abers was intensely exciting.

Mr. E. E. Blackman, university archeologist, received a package yesterday from Dewese, Neb., containing petrified mastodon bones and Indian pottery from the Dewese Indian mound. Mr. Newcomb, of Dewese was the donor.

**AN INTERESTING TRIP.**  
The Union Pacific Line closely follows the path of the "Forty-niners," which has become historic as "The Overland Route"—the shortest and best road to San Francisco. If you cross the continent in one of the tourist sleepers of this line you will enjoy your trip and save considerable money. For full particulars inquire of E. B. Slosson, general agent.

**Protected by Block Signals**

The first railway in America to adopt the absolute Block System in the operation of all trains was the

**Chicago, Milwaukee & St. Paul Railway**

It to-day has more miles of road operated under block signal rule than any other railway company. The St. Paul Road was the first railway to light its trains by electricity, and it now has more than 400 electric-lighted passenger cars in daily service. Three trains from Union Station, Omaha, to Union Station, Chicago, every day.

For time table, special rate write
