**Track Preliminaries.**

The track men will do their last hard work before the preliminaries, this evening. The preliminaries this year are attracting more than the usual attention, because of the keen competition that is expected. A big crowd has been out every day this week and Dr. Clapp has put the men through some hard work.

Some of the most promising men to compete Saturday are as follows:

100-yard dash—  
Burruss,  
Wallace,  
Bowman,  
Knight,  
220-yard dash—

All entries for this meet must be in the hands of Dr. Clapp by 6 o'clock this evening.

This is the season when the school teachers in the state send specimens to Professor Bessey for identification. Already he has had to answer many such requests. Occasionally in this way he is able to pick up an interesting species, and for this reason he encourages the practice.

The professors in the Department of Botany are making up their orders for materials and apparatus to be purchased during the summer vacation. Most of the orders will probably be sent abroad. As the rates are usually much better on large orders than when sent to American dealers.

The visit to Mr. William J. Bryan's home, anticipated by the Freshman Law class yesterday, was postponed on account of the death of his father-in-law.

Dr. French was not able to attend classes yesterday on account of sickness, but hopes to be out again tomorrow.

Dr. and Mr. A. B. Waters, both of the class of '03, have been spending the winter in California. The doctor is located at Auburn, Neb.
