SCHILLER'S DAY

LINDE TO BE DEDICATED THIS MORNING AT 11 O'CLOCK.

Extensive Program in German Poet's Honor to Be Given Tonight in Memorial Hall.

It may be asserted with reasonable certainty that no German poet has been honored as enthusiastically by Anglo-Americans as is Schiller in the large number of celebrations marking the centennial of his death. Extensive preparations are being made in the University to produce a celebration which may be worthy of the high estimation in which the poet is held by this community, and the kind co-operation of local musicians is sufficient assurance of abundant success.

At 11:00 a. m. the "Schiller-Linde" will be dedicated. A brief and somewhat informal program has been arranged for this occasion, since the principal celebration is reserved for the evening. Not only the students of the University but citizens generally are cordially invited to take part in honoring Germany's most popular poet on this occasion.

The program for the dedication of the "Schiller-Linde" which will occur on the campus at 11 o'clock this morning is as follows:

MEMORIAL DAY

FRIEDRICH SCHILLER

1759-1805

Tuesday Evening, May 8

MEMORIAL HALL

WIN TWO GAMES.

Team Takes a Brace and Lands Two Victories.

The varsity showed the people of Missouri how to play ball Saturday by defeating Washington University of St. Louis by 16 to 0. The Washingtonians were not able to get a look in as the score indicates, and instead the varsity pounded the ball all over the lot. Morse was on his mettle Saturday, for he twisted the sphere so that nine of the ball tossers of the unfortunate team were unable to connect, and took the bench. Nebraska succeeded in getting 15 hits off Jones and aided by Washington's seven errors, were able to send sixteen men across the plate. Bender batted out a home run when the bases were full and Fenlon a three bagger when two men were on bases.

There was nothing doing on the Washington side of the score card, it was simply one, two, three and take the field for them. But three men were able to touch the ball for safe hits and these proved ineffective. Jones was only able to strike out four of the varsity players. The varsity has struck the winning gait now and from all indications intends to add victories instead of defeats to their score book.

The game with Illinois College at Jacksonville proved somewhat of a cinch for the varsity, the game ending 26 to 3. Twenty hits were secured off Harmon, the opposing pitcher, while Nilsson, who twirled for Nebraska, was touched up for but one.

Five errors were made by the varsity and fifteen by the Illinois team. Nilsson struck out four men and Harmon 7.

Phi Psi's Win.

The Phi Kappa Psis succeeded in teasing the Phi Delta Thetas on the diamond long enough Saturday afternoon at F. and M. Park to pull a victory away from them. The score for this seven inning game was 10 to 5 in favor of the Phi Psis. Calahan pitched for Phi Psi, while Durkee and Hughes smothered the ball back of the home plate. Neely pitched for Phi Deltas and Keeler acted as back stop. Neely was a little wild at times and would forget to use the spit ball at others, but Calahan had perfect control of his curves and threw the grape vine curve with perfect ease.

The last meeting of the Glee Club for the present year will be held tonight at 7 o'clock. Important matters are to be considered and a full attendance is urged.

DOANE DEFEATED.

Students' Debating Club Uphold Nebraska's Forensic Reputation.

The Students' Debating club won a victory over the Alpha Omega's of Doane College by a vote of 2 to 1. The battle was a live one from start to finish. Charts illustrating important points and principles were used by both sides. Both teams had heard the question debated in interstate work. In addition to this, the Doane Team had debated the question with Bellevue College and won the unanimous decision of the judges. Another characteristic of the program was the originality and individualism of the speakers. The logician, the thinker, the story teller and the orator each came in for his share of the work and lent variety to what otherwise would have been monotonous.

At the close of the debate Prof. Fogg was called upon and in a brief speech mentioned his interest in an open, active debating club, and emphasized the importance of such a club in connection with class room work. The visiting team was composed of Messrs. Perry, Potts and Haight. The home team was Whelon, Yoder and Hunter.

J. A. Maguire was presiding officer. Dr. Ross, Judge Hastings and Attorney Miller were the judges. Dean Ringer was time keeper. After the debate the visitors were entertained by the victorious team.

Convocation.

Prof. E. H. Barbour gave an interesting lantern slide lecture at Convocation yesterday on "The Geological Expeditions of the Hon. C. H. Morrill." Professor Barbour praised highly the generous benefactor of the University, Mr. Morrill, and the important work which his expeditions have accomplished in the last decade. Slides were shown of the Bad Lands of Nebraska and South Dakota, where a large part of the geological work is done. Pictures of fossils which were discovered in these sections were shown, including the fossils and restoration of the three toed horse, the reptilian bird with teeth, and the immense dinosaur. Scenes from the camp life of the students on expeditions were also shown. The lecture was very interesting and spiced with the wit and humor characteristic of Professor Barbour's lectures, was thoroughly enjoyed by all who were present.

Hal H. Roberts and Harry B. Smith, '01, and Edgar F. Davis, '04, were in town Friday and Saturday for the Alpha Theta Chi banquet.

RECORDS BROKEN

TWO MARKS WERE LOWERED AT SATURDAY'S PRELIMINARIES.

Soft Track and High Winds Make Fast Time Impossible—Low Hurdles and 220 Dash Yet to Be Run.

A small but enthusiastic crowd witnessed the preliminary track meet Saturday afternoon on Nebraska Field. The weather was a little raw and the track in very poor condition for any good time. It was on account of the poor condition of the track that the 220 yard dash and hurdles were not run. These events will be run this week.

The distances made in the fixed events more than counter-balanced the poor time made in the track events. Hagensick broke the university record in the pole vault by clearing the bar at 11:1¼ feet. This is 5¼ inches over the record formerly held by Benedict at 10:8 ft. Cornell also broke the university record in the hammer throw by hurling the ball out 137 ft. 10 in. The distance of the other events were up to the standard and G. A. Meyer came within ¼ of an inch of equaling the varsity record in the high jump. His jump was 5:9¼ ft.

In the track events Penrod proved to be the winner of the 880 and mile, while Heath carried off first honors in the two mile in good time. Burruss won the 100 yd. dash in very good time, 10 3-5 seconds, with Wallace, second and Craig, third. The 440 went to G. A. Meyer, but here the heavy track again prevented the time from being good, as 57 4-5 seconds was the best. Hauser won the high hurdles in 17 seconds, with Hagensick second.

The events and the winners and time of each are as follows:

100 Yards—1st heat won by Wallace, 2nd Bowman, time 10 4-5. 2nd heat won by Burruss, 2nd Craig, time 10 3-5. Final heat won by Burruss, 2nd Wallace, 3rd Craig, time 10 3-5.

Pole Vault—Won by Hagensick, 2nd McDonald, 3rd Gibson. Height, 11:1¼ feet.

Half Mile—Won by Penrod, 2nd Davis, 3rd Morgan, time 2:15 2-5.

Shot Put—Won by Weller, 2nd Cornell, distance 35:3 ft.

120 Hurdles—Won by Hauser, 2nd Hagensick, 3rd Peck, time 17.

High Jump—Won by G. A. Meyer, 2nd Wallace, 3rd Burruss, height 5:9¼ ft.

Hammer Throw—Won by Cornell, 2nd Weller, distance 137:10 ft.

Mile Run—Won by Penrod, 2nd Davis, 3rd Brown, time 5:12½.

Discus—Won by Cornell, 2nd Bowman, 3rd Durkee, distance 91:6.

Quarter Mile—Won by G. A. Meyer, 2nd Copeland, 3rd Dana, time 57 4-5.

Running Broad Jump—Won by Hagensick, 2nd Wallace, 3rd Hauser, distance 20:10½ ft.

Two Mile Run—Won by Heath, 2nd Deeds, 3rd Theisen.

The athletic board met last night in a brief session. Some changes in the constitution were discussed, but no definite action regarding the same was taken. The election board which will have charge of Wednesday's election was selected.
