## 'VARSITY RETURNS

MEN ARE MUCH THE WORSE  
FROM THEIR LONG TRIP.

Cooke and Schmidt Both Have 1,000  
Per Cent in Fielding Average.

The Varsity baseball team arrived home Saturday evening from its long trip of thirteen games. The team during the trip traveled about 2,500 miles. This was partly responsible for their many defeats. It is a cinch that a lot of men can't arise at 2 a. m. and travel until 10 or 11 a. m. then play ball. It takes all the ginger out of men to lose sleep when playing hard games. Probably a coach would have kept a strict watch over the boys, and in this way aided much.

The schedule for this trip consisted of hard games. It was not the intention of the management to pick out easy teams, but instead he scheduled the fastest baseball teams in the West. But granting this the team had no right to lose any games with the exception of Ames, Chicago and Illinois. The men went up against the hardest and best twirlers that a Nebraska team has ever faced. This probably accounts for the poor batting average of the team. One thing was evident that the men were unable to hit the ball at critical times. The team, when it left Lincoln, was one of the hardest hitting teams Nebraska ever put in the field.

Following is the batting and fielding record for the trip:

	Games.	Bat.	Field.
Nilsson	5	.352	.714
Bender	12	.250	.936
Cooke	12	.240	1000
Fenlon	12	.238	.928
Gaddis	11	.205	.920
Barta	12	.171	.945
Rine	12	.146	.875
Morse	7	.143	1000
Reddick	12	.133	.778
Schmidt	12	.121	1000
Dort	4	.352	.923

### Judges Chosen.

Competitive drill will occur on Friday, May 26, and from present prospects it promises to be the most closely-contested contest in years. The cadets are enthusiastic in their belief that their company will win the cup. The judges for this contest have been chosen and both come from Fort Crook. The judges are: Capt. C. W. Castle, 30th Infantry, U. S. army, and Second Lieutenant H. E. Lewis, of the same infantry. Capt. Lewis acted in the same capacity last year.

The prizes for the drill are the Omaha cup for the winning company, and gold and silver medals for the winners of individual drill. Governor Mickey will present the prizes to the winners. The annual encampment which is held at York, Neb., from May 29 until Friday, June 2, 1905, promises to be the best ever held at the University. The people of York are sparing no pains to make the event a pleasant one. The York Commercial club has extended an invitation to the cadets to visit its rooms during the encampment.

### CONVOCATION WEDNESDAY

GIVEN BY SOPHOMORE CLASS

#### FACULTY FAST.

##### Promise to Show Commercial Men a Hot Time the 25th.

The faculty under the management of Prof. Caldwell are fast rounding into shape for the big contest with the Commercial club, May 25. The general opinion of those who have seen the faculty play ball is that the Commercial's will have to go some to land first place. Two teams have been practicing hard and the way the different pitchers twist the sphere would make Rube Waddell look green with envy. The back stops are not a bit slower and can smother any kind of a ball sent over. Luckey is the likely man for first base as he is an old time leaguer, having played with New York Nationals. This tall gentleman with the long arms will hand a certificate to any one who knocks or throws a ball his way. Loveland will hold down second, and if unable will be backed up by Moore.

At shortstop F. D. Heald will plant himself, and will proceed to classify every thing that comes in his territory. With Schautz, or Piper at third, Dean in centerfield, and Holman at right field the team is almost complete. But Prof. Candy must not be forgotten as he is to romp in the left garden. A straight line being the shortest distance between two points, Candy will play in direct line with the home plate, and he promises that no obtuse angles will be allowed. These men will be well backed by many others, and the prospects are exceedingly bright for a neat sum to turn over to the College Settlement benefit. The lineup of the two teams as they practice is as follows:

1ST TEAM—  
Pitcher  
Persinger, Heald.....Condra, Fogg  
Catch.  
Piper, Schautz.....Payne, Clapp  
First Base.  
Luckey ..... Clements, Papine  
Second Base.  
Loveland ..... Moore  
Short Stop.  
Heald, F. D.....Heald, W.

Third Base.  
Schoutz, Piper.....Himman  
Left Field.  
Candy, Persing.....Smith, H. R.  
Center Field.  
Dean ..... Evans  
Right Field.  
Holman ..... Barker

#### Awards to Arrive Soon.

The awards from the St. Louis Exposition management, due to the Women's Clubs of Nebraska and to the contributors of the educational, mining, and agricultural exhibits, can, according to notice received by the Department of Geology a few days before expected any time. It is probable, however, that they will not arrive for Nebraska contributors. Though a large majority of these are silver, yet a goodly number of gold medals stand to Nebraska's credit. The management of the exposition is attempting to get all of the awards out within eight months after the close of the Exposition, whereas the management of the Columbia Exposition was unable to accomplish this in less than a year.

## INNOCENTS ELECT

THIRTEEN NEW MEMBERS ARE CHOSEN FROM JUNIOR CLASS.

Third Annual Initiation and Banquet of the Society to Come Thursday Evening at the Lindell.

The following men from the Junior class have been elected into the Senior society of Innocents:

M. A. Benedict.  
E. D. Crites  
W. F. Day.  
F. E. Denny.  
F. F. Fairman,  
E. D. Loomis,  
A. H. Lundin,  
J. K. Morrison,  
R. A. Van Orsdel,  
C. L. Waldron,  
A. H. Wellensiek,  
C. C. Wilson,  
E. C. Zimmer.

The Innocents were organized three years ago, this new number of Junior men being the third body elected to membership in this society. The third annual initiation and banquet will be held at the Lindell Hotel Thursday, May 18.

#### Washburn Games Off.

The two games of baseball scheduled with Washburn for today and tomorrow have been called off by the Kansas college. Several of the games which composed their northern schedule were canceled and they could not afford to make the long jump necessary to play the two games with the Varsity.

Added to this cancellation of games, Washburn has been having some trouble with their players, the faculty having ruled that a number of them could not continue on the Varsity.

A game for tomorrow will be arranged if possible with some team representing some nearby town.

#### Junior Play.

The play given by the Juniors at Convocation yesterday proved to be very successful. Although only a short time was put on the preparation of the play the smoothness with which it went off would have reflected credit on a cast with much more practice. The play entitled "The Irish Linen Peddler" was a farce of three short acts. Every member of the cast handled his part skillfully. James Anderson in particular, who filled the role of Patrick O'Doyle, the Irish linen peddler, represented the character of a typical Irishman exceedingly well. The following composed the cast:

Patrick O'Doyle.....James Anderson  
John Flannigan.....Edwin R. Guthrie  
Mr. Darling.....A. G. Schriber  
Emma Dudley.....Jane Blanchard  
Molly.....Ethel O'Connell  
Mrs. Wade.....Lillian Bennet

#### Registrar Shedd Leaves.

H. G. Shedd, whose resignation was accepted at the last meeting of the Board of Regents to take effect May 15, left the city yesterday afternoon on business. Mr. Shedd has been connected with the University for several years and his resignation came somewhat as a surprise to the faculty and students. E. H. Clark, formerly assistant registrar, now purchasing agent, was elected to succeed him.
