Hoar Re-elected.
 "Billie" Hoar was re-elected captain of the basketball team for the coming season at the meeting of the Athletic Board Monday night. Hoar's proficiency in this capacity during the season just past made his second candidacy easily successful.

Omaha High School Alumni.
 The Alumni Association of the Omaha high school will hold its annual banquet Monday, June 19, at the Millard hotel, Omaha. All graduates of the High school who are at present in the University are urged to be present and procure their tickets early. The price will be \$1.25 per plate, and tickets may be secured of A. G. Schreiber.

Lillian Rudersdorf, a student in the German Department, who has contributed a considerable number of drawings to the Sombbrero, has designed a very tasty inclosure for the Schiller Linde recently planted on the campus. The inclosure is to be made of wrought iron with a large brass dedicatory plate on which an inscription will be engraved.

Professor Fossler will deliver Commencement addresses at Dunbar on May 29, York on June 3 and Wilbur on June 9. He will also speak at the Teachers' convention of Seward county at Seward on June 13.

TOURIST CARS POPULAR.

The idea that an inferior class of people patronize the tourist sleepers is an error. On many trips only the best class of travelers are found. They are merely men and women of good sense who would rather travel to California in this manner and save a snug sum of money to be used elsewhere. It is beginning to be understood that it is by no means necessary for the traveler to spend a large sum of money in order to enjoy a trip to the Pacific Coast.

If you cross the continent in one of the tourist sleepers of the Union Pacific you will enjoy your trip and save considerable money. Inquire of E. B. Slosson, Gen'l Agent.

Protected by Block Signals

The first railway in America to adopt the absolute Block System in the operation of all trains was the

Chicago, Milwaukee & St. Paul Railway

It to-day has more miles of road operated under block signal rule than any other railway company. The St. Paul Road was the first railway to light its trains by electricity, and it now has more than 400 electric-lighted passenger cars in daily service. Three trains from Union Station, Omaha, to Union Station, Chicago, every day.
