ATHLETIC BOARD

MEETS AND FILLS VACANCIES.

Meyer, Hoar and Van Burg to Serve—
Sanction for Handicap Track Meet.

The Athletic Board had a special meeting in Dr. Clapp's office at chapel time yesterday morning, and selected three students to fill the vacancies caused by the resignation of Hunter, Graves and Hewitt, who were elected at the last annual election, but who are not in school this year. Those who were selected are Max Meyer, J. W. Hoar and J. L. Van Burgh. Mr. Meyer and Mr. Van Burgh are members of the Senior law class. The former is a member of Beta Theta Pi and Phi Delta Phi fraternities, and the latter of Sigma Chi and Phi Delta Phi. Mr. Hoar graduated last year, and is now a junior law. He has been captain of the basket-ball team and a member of the track team. Last year he served an unexpired term on the Board. He belongs to the Alpha Theta Chi and Phi Delta Phi fraternities.

Mr. Van Burgh was placed on the Building and Grounds committee in place of Hunter; Meyer and Hoar took the places of Graves and Hewitt on the Finance committee.

Votes for track captain were opened, but no one man had a majority, and consequently another vote must be taken. The Board also sanctioned the proposed handicap field meet to take place in the near future, and provided for silver and bronze medals to be given to the winners of first and second places in each event. The meet will consist of field events only, the track events and weights being omitted on account of the late time of year and the fact that many of the strong men are playing on the football team and could not compete. The events will be: Running high jump, running broad jump, and the pole vault.

Gymnasium Notes.

Seventy-five new steel lockers, with expanded metal fronts, have been received, and are being put in place in the locker room. There is a new lock on these lockers, which locks in three directions, up, down, and sideways. With this addition, the whole number of men who register for work in the gymnasium can be taken care of. The distribution of these lockers is going on this week.

A large amount of new apparatus, approximating five hundred dollars in value, has been ordered by the department, and will soon be installed. This will aid greatly in the development of a gymnastic team to send to Chicago next spring.

There will be a very important meeting of all men who are interested in cross country work in Dr. Clapp's office at 11 o'clock this morning. The purpose of the meeting is to begin work on the development of a champion team to run at Chicago Thanksgiving morning.

All football men who have not been examined as yet must report to Dr. Clapp as soon as possible.

Armstrong's—Practical hatters.

Music - Chapel - Friday

Miss Charlotte Hullhorst

Mrs. Decker Addresses Students.

Mrs. Sarah Platt Decker, president of the National Federation of Women's Clubs, addressed a gathering of students in Memorial Hall yesterday morning. Arriving late at the hall, Mrs. Decker was compelled to limit her talk to fifteen minutes. She spoke on the benefits of a business training for women and on the debt of a student to the public.

The little knowledge of business affairs that the average woman has was made clear by several good illustrations of the inability of some women of her acquaintance to take care of money suddenly left to them. In way of emphasizing the necessity of a business training for women, she told of the many women who now are living in the business world. She said in Boston women pay \$150,000,000 in taxes and in Kansas they pay enough to support the public institutions of that state. She wants women to get a business education in the universities.

A student, Mrs. Decker thinks, should use his education as much as possible pro bono publico. She also would like to see established in every university a chair for the "Plain Old Mother."

Convocation.

There will be a song recital this morning by Miss Charlotte Hullhorst. The program is as follows:

Fruhlingsglaube Schubert
Der Asra Rubinstein
Ich Grolle Nicht Schumann
Thou'rt Like Unto a Flower. Chadwick
Contrasts—

A Story That Is Told.... Somerville
A Ballad of Kisses..... Somerville
Song of a Heart..... Tunison
O Come With Me.... Vander Stuchen
May-Day..... Walthew

Miss Hullhorst graduated from the University in 1900 and has recently returned from an extended course of voice work in Chicago.

Ernest Johnson, '08, has been appointed assistant manager of the Glee and Mandolin Clubs.

Y. W. C. A. Notes.

Last Sunday was Bible Study Rally and the Bible Study classes are well under way this week. Next Sunday will be Mission Study Rally. This will be a union meeting with the Y. M. C. A. Winfield Rothberg, the Y. M. C. A. General Secretary at Omaha will speak. There will be special music by Miss Margaret Pilling. Sunday, October 8, at 3 p. m., in the chapel.

There will be a meeting of the Big Cabinet Friday evening, October 6, at 6 o'clock, in the Y. W. C. A. rooms. This is the first Big Cabinet meeting of the year and is important. Every chairman and sub-chairman turn out.

Preparations are being made to hold the Y. W. C. A. annual County Fair October 28. Look out for further bulletins.

New Lecture Rooms.

The authorities have just received a carload of chairs equipped with armrests, which have been placed in the two society halls on the third floor of the main hall, thus converting them into large lecture rooms. The old Union Hall is being used as a lecture room for the third-year law class, and some of the Rhetoric classes will also meet there. The new room enables all law classes to meet in the morning, instead of having about half the classes in the afternoon, as the lack of available rooms caused last year.

The second series of tests for the Glee and Mandolin Clubs was continued last night, but not so many men turned up, a large number having gone to Omaha to see the electrical parade. The high quality shown the night before by the men was again apparent, and the certainty of an unusually good club is growing stronger right along.

Wednesday the first team squad went through a stiff signal practice on a meadow east of the penitentiary. While out there eleven of the first team were weighed on a set of big scales and pulled the beam up to 1,940 pounds.

GIRLS' GLEE CLUB

TO BE ORGANIZED HERE.

Miss Howell and Manager Dirks Are
Making Plans for Its Formation.

In response to invitations issued by Miss Howell, a representative from each of the girls' organizations met in U. 111 last Tuesday morning during the chapel hour and discussed the feasibility of a girls' glee club. Everybody seemed quite enthusiastic over the proposition, and it was decided that immediate steps be taken to organize the club. In order that there might be some organized body behind the movement, it was decided to have the Black Masque push the project.

It is the purpose of the club to assist the main Glee Club in its annual home concert to be given this winter. If this turns out as successfully as it should, Manager Dirks has promised the girls that he will give them a trip through the state, if proper arrangements can be made. Chancellor Andrews is heartily in favor of the plan, and has made arrangements so that the members of the club may receive one hour credit each semester for their trouble. This, together with the prospect of a trip next spring, should prove most attractive to the co-eds, and doubtless a large number will respond to the call for candidates when it is issued.

Senior Election.

The first meeting of the Senior class was to have been held yesterday morning, but on account of the special convocation had to be postponed until some time next week, probably Tuesday morning. At this meeting the president for the present semester is to be elected, and as this is a very responsible position on account of the number of appointments which the president will have to make, several candidates have announced their willingness to serve, and the supporters of two of them have been very active in lining up their friends. Rumor has it that the chief contest is to be between the Sphinx and Innocent Societies, but this is hardly true, as several of the most active partisans belong to both societies.

The candidate whose chances seem to be the better at this time is Don Skeen. Mr. Skeen is a medical student and will have the support of the solid medico delegation. He is also an Innocent and a Sphinx, but is said to be the candidate of the latter society. Mr. Skeen is captain of Company B and is very popular among his classmates, and would undoubtedly make a very able president.

Another candidate whose name is frequently mentioned is L. H. Wellensick. Mr. Wellensick is an Innocent, and presumably has the support of that organization.

The new president will have a number of important committees to name, chief among them being the Senior Book Committee. As the Senior Book is the only publication which will appear this year, it is, of course, imperative that it be of extraordinarily good quality.
