Superintendents' Meeting.

The annual meeting of the Superintendents' and Principals' Association will occur here on the 12th, 13th and 14th of this month. A number of addresses will be delivered which will be of much benefit to all those who intend to teach after leaving college, besides being of general interest to all University students. Chief among these will be an address on the first night by Dr. Bessey, whose subject is: "Has the Time Come When None But College Graduates Should Be Elected to High School Positions?"

Sale of Season Tickets to Continue.

The football management has decided to continue the sale of season tickets for one week longer; the price to be reduced on account of the two games which have already been played. The sale of tickets this year was greatly in excess of that of former years, largely due to the number of downtown purchasers. On account of this large demand, the sale has been extended. The only place where they can be obtained now is at Harry Porter's, on O street.

W. E. Hawthorne of Bay City, Michigan has been selected to succeed Fletcher Lane in the Physical Education Department. Mr. Hawthorne has a very fine reputation as a gymnast, having been trained in Y. M. C. A. work and in the Chataqua course in New York.
