DAKOTA ARRIVES

MANY CHANGES IN TODAY'S LINE-UP.

Weller in at Tackle and Benedict in at End Against the Northerners.

Today the first hard game of the season will be played on the University campus with the husky team from the University of South Dakota. The South Dakota team will arrive this morning at eleven on the Northwestern. There will be some twenty in the squad.

It seems to be the prevalent idea among the football enthusiasts that today's game will be an easy one for the varsity. But this is a badly mistaken idea for the South Dakota men are almost as heavy as our men, and according to reports have the speed that makes their weight all the more effective. The real strength of the varsity will be given a trial. From their playing today we will have to almost entirely place our judgment as to the outcome of the Michigan game.

The line-up of the varsity will be much different from that of any previous game this year. The back field has been changed as well as the line. Weller will be in the line again for the first time since the Creighton game of last year. He was considered a fixture behind the line this year, but Booth deemed it best to shift him to a tackle position. Schmidt, who was out of the game last year because of parental objections, will be in at half in Weller's place. He is a fierce line buckler and plays with a ginger that makes him a valuable man. Benedict will be in the game today for the first time this year and will relieve Denslow at end for at least a part of the game. Glen Mason, last year's full-back, will be in at his old place.

Booth has increased the number of boarders at the training table until now he has twelve besides himself, Westover, and Manager Morrison. After today's game there will be some more men get the glad news to dine with the big coach and his men. The men who are at the training table at present are: Borg, Benedict, Cotton, Johnson, Weller, Wilson, Eager, Mason, Taylor, Morse, Denslow, and Gibson.

The fence around the athletic field has been changed materially. A gate has been put in at the south end of the grandstand leading from the street. In this way all those having seats in the first two sections, A and B, can enter at the south entrance, and those with seats to the other parts of the stand can enter at the middle or old entrance. Affairs will be quickened in this way, and three thousand will be admitted in comparative ease.

The reserved seats for today's game are on sale at Harry Porter's and are fifty cents in addition to the price of general admission. The line-up is as follows:

Pershing Rifles Elect.

At the first meeting of the Pershing Rifles on Monday evening the officers for the ensuing year were elected. This year's list of officers are in accordance with the lists of previous years, that is, the men are of high standing as University students and are well qualified to fill the positions tendered to them. The officers are elected are:

Captain—W. C. Ramsey.
1st Lieut.—C. D. Wilson.
2nd Lieut.—C. K. Syford.
1st Sgt.—C. K. Smith.
2nd Sgt.—C. D. Slaughter.
3rd Sgt.—Mickey.
4th Sgt.—W. R. King.
5th Sgt.—B. K. Eaton.
Captain Ramsey was captain of C company last year, and C. D. Wilson is the present captain of D company.

Cross Country Meeting.

About twenty men answered the call for a meeting of all interested in cross country work, and gathered in Dr. Clapp's office yesterday morning at eleven o'clock. Dr. Clapp gave a short talk on the necessity of getting up a good team to send to Chicago Thanksgiving, and told the men that only consistent work on the part of each one of them would bring about the desired results. Those present then elected Penrod leader of the squad, and Heath temporary captain of the team, it being understood that whenever the team should be picked they should elect their own captain. It was arranged to have runs each evening, and Saturday morning, two squads leaving every afternoon, one at four and one at five o'clock.

Geology 15, 16 and 17 meet in N. 201 at 9 o'clock, Saturday.

CONFERENCE RULES.

Universities Meet at Chicago and Make New Rules.

At a meeting of the Conference (big nine) delegates at Chicago on last Saturday it was decided that athletes will not be allowed to compete for athletic clubs in the future. This rule, which was proposed before the conference at previous meetings, and met with many objections, was unanimously passed on Saturday. This prohibits the athletes from competing even with a special permission from the faculty bodies.

Another important ruling made was that a "committee on eligibility" should pass final judgment as to the eligibility of athletes where disputes between colleges have arisen. It was also decided that "the athlete who becomes two weeks in arrears in his training table board shall be ineligible for appearance until he has paid up in full."

The conference school have initiated Freshmen football games for trial this year. The present indications are that they will prove as interesting and receive as much support in the west as they have in the east.

Convocation Exercises.

Hon. Albert Watkins will address the University students Monday on the subject, "The Father of Nebraska." Mr. Watkins is well acquainted with this subject, and well qualified to discuss Nebraska history, as he is an early pioneer of this state. Dean Sherman will act as chaplain.

Wednesday, Oct. 11—Hon. E. M. Pollard, "The Railroad Question."

Friday, Oct. 13.—Music.

Chaplain for the week, Dean Sherman.

Monday, Oct. 16—Prof. E. A. Ross, "The Insurance Revelations."

Wednesday, Oct. 18—Dean E. W. Davis, "The Significance of Johns Hopkins in the Higher Education of America."

Friday, Oct. 20—Music.
Chaplain for the week, Dean Bessey.

COUNTRY FAIR

GREAT SHOW TO BE GIVEN IN ARMORY, OCT. 28.

Feature of the College Year Has Been Arranged and Will Be Presented This Month.

The County Fair Is Coming! To all old students this will be the best of good news, for there are no old students who have not either attended one of the previous county fairs, or else have not made up their minds that they will never miss another opportunity to attend. For it is without question the feature of the college year, and all other winter stunts pale into insignificance alongside of this wonder of wonders. The advance agent of the great show is profuse in her use of words and very careless in the way she uses the English language, but even then she is unable to do credit to the attraction whose features she must laud. Each year there is some particular feature which attracts much attention. Last year the famous red lynx of the Philippines was imported expressly for this fair, and thousands gazed at the wonderful creature. What the star of the show will be this time has not yet been divulged, but the students may rest assured that when the time is ripe the press agent will impart her secret to the world. All the arrangements are not yet completed, but the management has already signed the same fair maidens who cooked and distributed the hot waffles last year, so that this pleasant part of the evening's entertainment is assured. There will also be something to fully fill the place of the minstrel show which proved such a hit in former years. And above all, Dr. Bolton will be there with his trained animal show.

This collection of antiques will appear in Lincoln one night only, being Saturday evening, October 28. As the side shows occupy such an amount of space, it will be necessary to hold the entertainment in the Armory, as being the only place offering the necessary accommodations. The exhibition in Lincoln will be directly in charge of the University Young Women's Christian Association. Further announcements will be made from time to time through the columns of the daily papers. Look out for the big parade.

Senior Laws Elect.

The Senior Law Class met in U. 207 at eleven o'clock yesterday morning, and succeeded in electing a full quota of officers. Considerable interest was shown in the election, and almost the entire class remained to the meeting.

For the presidency there were two candidates, Max Meyer and H. N. Matley. The first vote resulted in a tie, each man receiving seventeen votes. On the second ballot two men switched, and Matley received nineteen votes to fifteen for Meyer.

There was no contest for the other positions, and Tom Martin was elected vice-president and A. N. Mathers secretary by unanimous votes.
