Last night football enthusiasts were given something new in the line of practice. The feature was the extremely fast lining up and playing of the varsity. Two touchdowns were scored in a few minutes' play and fast work was shown throughout. The signals are now given as soon as the ball is "down," and the formation is started almost before the players are again on their feet. This was the last heavy work before the game Saturday. Tonight only very light signal work will be on the bill.
