REITERATIONS

Cello-Piano Recital.

On Monday evening, Nov. 6, at the First Baptist Church will be given a very interesting musical program by Mr. Henry Eames of the University School of Music as pianist and Mr. Carlo Fisher, cellist. Mr. Henry Eames needs no introduction to Lincoln lovers of music and Mr. Fisher is well known as a member last year of the famous Chicago Symphony Orchestra. He is now with Von der Satuchin, a Cincinnati musician of national prominence. As a special inducement to students of music the price of admission for them has been reduced from fifty to thirty-five cents.

Tourist Cars Popular.

The idea that an inferior class of people patronize the tourist sleepers is an error. On many trips only the best class of travelers are found. They are merely men and women of good sense who would rather travel to California in this manner and save a snug sum of money to be used elsewhere. It is beginning to be understood that it is by no means necessary for the traveler to spend a large sum of money in order to enjoy a trip to the Pacific Coast.

If you cross the continent in one of the tourist sleepers of the Union Pacific you will enjoy your trip and save considerable money. Inquire of E. B. SLOSSON, General Agent.

Tom Watson's Magazine,

"the magazine with a purpose back of it," was established to teach the best way of abolishing these special privileges, and, hence, of rendering the trusts powerless to rob the public. It is a big monthly magazine of 128 pages, with illustrations, cartoons, Mr. Watson's brilliant editorials, special articles, a serial story, novelettes, short stories and poems, by the world's best writers. Regular price, \$1.00 per year; 10 cents the copy, at all newsstands. Everyone is interested in knowing the best way to cure the trust evil and how to bring it about. Now in its second volume, Tom Watson's Magazine is firmly established, and its circulation is growing rapidly; but we want to add a hundred thousand subscribers to our list in the next month or two.

Special Rates at Skating Rink.

The large crowds which constantly fill the floor at the skating rink show that interest in that most healthful sport did not die out during the summer and the number of University students to be seen there each afternoon and evening gives concern to the management, who do not know what they will do when the football season is over and students have nothing to do.

The company has been fortunate in securing the services of Prof. Orin Rankin, one of the most accomplished skaters in the country, as a special instructor for those too timid to trust themselves to any of the many assistants whose services are offered to the public. He is now open to engagements and as an additional incentive for beginners to venture into the game it has been decided to admit ladies free of charge every afternoon and evening for the remainder of the month. One attempt will turn the most timid into an enthusiast.

Distinguished Men to Talk.

In place of the regular address which has been announced for the chapel period this morning, the committee in charge of the services has been fortunate in procuring two very eminent men to deliver short addresses to the students of the University. One is the Hon. Leslie M. Shaw, secretary of the treasury, and formerly governor of our sister state, Iowa. The other is Professor W. C. Webster of the University of New York. Both these gentlemen are in the city attending the meeting of the Bankers' Association, and have kindly consented to speak to the students this morning. This is a rare opportunity which no one should miss.

Wanted—Students to sell tickets for the Athletic Carnival—for good of cause or on commission. Tickets to be had of Professor Caldwell or Professor Bolton. Wanted still more: 1,500 students to buy tickets. Remember it is your chance to aid a good cause—the College Settlement—your one philanthropic enterprise. Fun enough to last for a month.
