First Band Informal.

The first band informal of the year will be given in the Art Hall next Saturday night. These band informals were inaugurated three years ago, and immediately sprang into great popularity, being attended by a much larger crowd than any of the other hops or proms. In former years the main obstacle to the complete success of these dances has been the large number of stags who attended each one, and last year the management was forced to provide for this by charging the stags double price. It is to be hoped that this step will not be necessary this year, but if it is, the manager is bound to take it. Dancing always begins promptly at nine, and stops shortly before midnight.

The Forest Club meets Saturday evening at 8 o'clock in N. 110. Mr. G. A. Loveland of the Weather Bureau will speak on "The Effects of Forests Upon Rainfall."
