Junior Hats.

L. A. White, chairman of the cap committee, desires to call the attention of the class to the new head-gear adopted in the last meeting. To those who were present at the meeting no further explanation or information is necessary, but several were not there, and to these he wishes to announce that the adopted head-gear is a hat, true blue with old gold letters, as near like the colors of the class as could be obtained. It looks good on the boys and better on the girls. The cost is one dollar, of which fifty cents is to be paid to the committee when the order is given and the balance at the store when the hats arrive. About two weeks will be given for the taking of orders; therefore all Juniors desiring hats—and all should desire them—can leave their orders with anyone of the following members of the committee: L. A. White, chairman; Myrtle Kauffman, Alice Davis, Alice Agee, Edna Cole, Imogent Brewster, Fred A. Wolfe, Roy Sunderland, P. R. Butler, Frank J. Pipal, Kelso A. Morgan, R. C. Gramleck, H. Currier, W. H. Arends, and Mr. Monroe.

Class Football Teams.

The Junior and Senior football teams were organized yesterday morning at chapel time. About twenty men turned out for each team, and prospects are good for a fast game between the two upper classes. The Seniors elected Temple as their captain. He is from Chicago and has had considerable experience in football. The Juniors selected Dwight Cramer as temporary captain, the election of permanent captain being deferred until the team is picked.

The Juniors have arranged a game with the Academy for next Friday afternoon.

Freshman Athletics.

Freshman athletics are now well under way and the class promises to bring forth football and basketball teams. The football squad is out for practice every morning at eleven o'clock under the coaching of Miller Benedict. The basketball candidates are to meet in the gymnasium at 9 o'clock this morning for practice. Walsh is coaching the latter squad.

Ladies of the Faculty Serve.

An increased number of young ladies of the University partook of the hospitality of the ladies of the faculty yesterday afternoon between half past four and six, in the ladies' rest room. These functions have proved to be so enjoyable that students look forward to them throughout the week, and the entire co-ed body sips tea sometime during the afternoon each Friday.

First Band Informal.

The first band informal of the year is to occur this evening in the Art Hall, and prospects are bright for a very large attendance. These dances have always proved to be even more enjoyable than the larger hops or more formal proms, and the spacious floor of the Art Hall is generally taxed to its capacity to accommodate the dancers. "Dancing begins promptly at 9 o'clock, and lasts until twelve.

The new chairs for the botanical laboratories proved quite too high, the carpenter took hold of them Thursday morning and cut them down to a more comfortable height. They were all right for the short people but not for the tall ones.
