Interclass Athletic Board Meeting.
 The interclass athletic board will meet in the Y. M. C. A. rooms during the convocation hour this morning, and will draw up rules to govern the interclass contests for the present year. The most important business will be to decide whether members of the law classes are to be permitted to play on class teams. As each of the three upper classes has lawyers on its team, the nine representatives from those classes will probably vote for the rule and the three freshmen representatives will vote against it.

Seniors Defeat Academy.
 The Senior football team defeated the Academy team by a score of 12 to 0—in a very ragged game of football yesterday afternoon. Although the Seniors greatly outweighed their opponents, they were unable to make consistent gains, and were handicapped by a noticeable tendency to fumble. The Seniors' defense showed up much stronger than the offense. Wellensick's work being especially good in this line. The Academy team was defeated last week by the Sophomores by the score of 27 to 0.
