## JUNIORS WIN GAME

MAKE ONLY TOUCHDOWN IN EXCITING GAME.

Start Off With a Rush and Score in Few Minutes of Play—Seniors Brace and Almost Score.

The first of the games between the different classes of the University to decide the interclass football championship for the present year was played yesterday by the Junior and Senior teams. Owing to the fact that law students were allowed to play on the Academic class teams, both teams were considerably stronger than has been the case with the two upper classes in previous years. The weather was ideal for football, and the field was a little too soft is anything. A fair-sized crowd saw the contest, and during the latter part of the game became quite enthusiastic.

The Seniors kicked off at 1:45, and the Juniors by a series of tackle plays took the ball right down the field for a touchdown without losing possession once, and gaining an average of four yards every down. On the final play when the Junior back was pushed over the line the Senior full back made a notable attempt to steal the ball, but the referee would not allow it. Howard kicked goal. The Juniors then kicked off to the Seniors, and the latter at once proved that they were much better on offense than they were on defence. Fenlon and Gibbs alternated at end runs and tackle plays, and advanced the ball forty yards, only to lose it on a fumble. The Senior line held for the first time during the game, and the Juniors had to kick. The march began again, Fenlon and Gibbs doing the work as before, and it looked good for a touchdown when time was called.

At the beginning of the second half the Juniors kicked off, and the Seniors started for the goal once more. Cramer had learned how to break up the interference for Fenlon, however, and the latter could not gain around the end. Tackle plays were resorted to, and the ball advanced to the twenty yard line, when the Juniors took a brace and got the ball on downs. Two attempts at the line failed, and Myers tried a kick. The muddy ball was too heavy, however, and it did not rise off the ground. After a wild scramble for it, a Junior got possession. No gain could be made, however, and another punt was in order. Before the Seniors could advance the ball very far, time was called.

Fenlon was the best ground gainer of the game, making a number of long runs. Gibbs played the best game for the Seniors as long as his wind lasted. On defence he was particularly strong, and on offence his plunges could rarely be stopped short of three yards. For the Juniors, Dort at tackle played the best defensive game, while on offence Runner showed marked ability at picking holes and Howard did some good plunging. Borg and Johnson were the officials.

### WESLEYAN WINS.

Defeats University by One Point in First Game.

Wesleyan defeated Nebraska in the first game of the season last night by a score of 28 to 27. The game was played on Wesleyan's floor before a large and enthusiastic crowd. Nebraska was crippled by the loss of Hagensick, who was out of the game on account of a lame knee, and another man had to throw the goals from the foul line for Nebraska. This lost the game, as Nebraska threw one more field goal than did Wesleyan, and had about the same number of chances on account of fouls. The first half ended 16 to 15 in favor of Wesleyan, while in the second half both teams scored the same number of points.

Wesleyan has its entire old team back and played a fast, snappy game. Although a large number of fouls were called, the game was clean throughout. The Nebraska line-up was as follows: Forwards, Mosher and Kiewit; center, Meyer; guards, Hoar and Bell. A return game will be played in the Armory next Thursday evening.

### Meeting of Class of 1905.

A handful of the members of the class of 1905 met in U. 212 yesterday during the chapel hour and discussed the advisability of forming a class organization for the year. It was found that about twenty members of the class are taking work in the university this year, and it was felt that this number would justify such a move. Those present decided to do something to keep the class together until the next Alumni day, when they wish to make a good showing, and it was accordingly arranged to give an informal entertainment on Saturday, December 16, when all members of the class now in the university can get together and make definite plans.

The Phi Rho Sigma will give a smoker to all medical students next Saturday evening at the Phi Rho Sigma rooms, 1238 O street.

### AWARDS INITIAL TO PLAYERS.

Athletic Board Gives "N" to Eighteen Football Men.

The university athletic board met yesterday morning and awarded the initial to the men entitled to it. All men who have played an entire half in any of the games with the Conference teams are entitled to "N's" and this year eighteen players were qualified. This is the largest number in the history of the institution, and is accounted for by the number of changes made in the line-up after the Michigan game and by the numerous injuries during the year which kept regulars out of the big games. Those men honored are; Borg, Cotton, Taylor, Wenstrand, Nelson, Weller, Lundin, Burns, Johnson, McDonald, Denslow, Morse, Benedict, Little, Schmidt, Eager, Wilson, Mason.

The question of giving sweaters to the scrubs was discussed, but nothing definite was done. The men will probably be so awarded if the finances of the board allow.

### Date Set for Prom.

The Junior Prom committee met yesterday morning and fixed on February 9 as the date for the annual class affair. Plans are already being submitted to make the Prom the best event of the year, and with the energetic officers who have it in charge, the Juniors have every reason to expect a good dance.

### Officers Hop Committee.

The following have been appointed to serve on the Officers' Hop committee: Major Crites, Captain Anderson, and Captain Crawford. The date of the hop will be announced in tomorrow's issue.

At the University of Illinois the cadets have ordered that at all cadet dances henceforth the men shall seek their partners for the next dance immediately at the end of each dance, in order to avoid confusion and delay.

## "SUNSHINE" WILLETTS

SPEAKS AT MEN'S MASS MEETING

Oliver Theatre, Sunday, Dec. 10, at 3:30 p. m.

## PROM COMMITTEE

APPOINTED BY PRESIDENT OF SENIOR CLASS.

Adams to Be Chairman of Committee and Wilson to Be Master of Ceremonies—Date Not Yet Set.

Yesterday President Trigg of the senior class finished her selection of the committee which is to have in charge the class promenade which will occur next semester. The Senior Prom has always ranked next to the Junior Prom as the most important social event of the year, and from a glance at the committee it will be seen that the affair this year will be no less successful than those of the past. The date for the prom has not been set definitely, but it will probably occur on February 16, the week after the Junior Prom. Following is the complete committee:

Ed. Adams, chairman; Clyde Wilson, master of ceremonies; Julia De-weese, Emma Schreiber, Ena Brach, Kate Heacock, Olive States, Mildred Slater, Harriet Hutton, Laura Smith, Ruth Thompson, Ed. Zimmerer, Elting Meade, Harry Hollingsworth, Fred Lundin, John Westover, Alec Van Orsdel, Martin Dirks, Fred Fairman, Adolf Wellensick, George Walker.

### Freshman-Sophomore Game.

The Freshman and Sophomore football teams have been hard at work in preparation for their game this afternoon. Both of these teams have been hindered some in their work by the weather, but all the men seem to be in the very best of condition. The Junior-Senior game being over it is now the aim of the Sophomores to completely snow under the Freshies, and then they expect to find the Juniors easy. But the Freshmen have been hammering away until now they have a strong team, and the prediction is that the Sophs will find no snap.

The work of the Sophomore team so far this year has been of the best, and their chances for the championship surely looks bright. They defeated the Lincoln Academy team by a score of 27 to 0, and held the Lincoln High School to an 0 to 0 game of twenty minutes duration. No line can be drawn on the Freshmen as they have not played any practice game this season. The game this afternoon will be called at 1 o'clock in order that the game may be over before it conflicts seriously with the classes.

### Dramatic Club Try-Outs.

The Dramatic Club held a second try-out Wednesday evening. There were seventeen in this group, and some very excellent work was done. The test committee has from the first shown a strong tendency to be very strict, and although they have not reported the number of new members, it is safe to conjecture that it will be but a small fraction of the total number trying for the club.
