REPEATING SHOT GUN  
 NEW MODEL NO 17

Here is the cheapest good gun yet made. By the omission of the take down feature we have been able to greatly reduce the cost of production and at the same time have kept the gun up to the famous high Marlin standard of strength, safety and durability. Notice the clean simplicity of this gun. The workmanship and finish are perfect. The weight is only 7 pounds. The full choke barrels are especially bored for smokeless as well as black powder and so chambered that 2 3/4 inch or 2 1/2 inch shells may be used. Several improvements in the operating parts make it the easiest, most reliable and best working gun in existence. We are glad to make it possible for every lover of guns and bird shooting to get this high grade repeating shot gun at so low a price. Have your dealer order it for you.

Professor Bessey is making an investigation of the origin and classification of the Carolina poplar, which is so extensively planted in many places in Nebraska. So far no one seems to know much about it, especially as to its origin.

Joe Curtis, the all-western tackle, has been elected captain of the Michigan football team for 1906. Owing to his disqualification at Chicago by Umpire Rheinart, no other player would run for the captaincy. His election was considered by his team-mates and supporters as a vindication as far as Michigan was concerned.

Mr. O'Loughlin, of the Minneapolis Journal, in speaking of the selection of the all-western team, says: "In selecting our all-western team we were guilty of a gross injustice, which was only excusable through an oversight. It is with deep regret that we announce this, but hasten to make amends by placing Stormy Jordan upon our team in the position of all-western knocker. He is strong on offense, and when he learns a little more about football, will be one of the greatest in the country. His defensive work has not been shown, as he has been so offensive to certain big teams that he has had no time to devote to repelling the attack. He is shifty, dodges through holes with high speed and tackles gossip and throws it for a fact anywhere in the open. Jordy is entitled to a high place and we are sorry we overlooked him."
