Subscription Price, \$2 per year in advance

Entered at the postoffice at Lincoln,
Neb., as second-class mail matter under
the act of congress of March 3, 1879.

Individual notices will be charged for
at the rate of 10 cents for each insertion.
Faculty departmental and university bul-
letins will gladly be published free, as
heretofore.

SOUVENIR NEBRASKANS.

The souvenir Football number of the
Daily Nebraskan has been taken off
sale at the book stores, but there are
a few copies at the office of the Ne-
braskan which may be had at the regu-
lar price, ten cents.

We wish to call the attention of all
readers to the advertisements appear-
ing in the Nebraskan this week. Near-
ly all students, especially those living
in the smaller towns of the state, pro-
cure the presents they desire to give
to members of their families before
leaving Lincoln, since there is a wider
choice here and prices are somewhat
cheaper. It is to these that we recom-
mend that they run over our advertise-
ments before making purchases. By
doing so they will save themselves
much trouble and some little money,
and will do a favor to the Nebraskan,
especially if this paper is mentioned
at the time of the purchase.

While talking to a merchant yester-
day we learned that a large number
of fancy costumes which certain young
men of the University had borrowed
for the County Fair had not yet been
returned. An inquiry at the rooms of
the Y. W. C. A. showed that there was
no responsibility there, as the men
had made all arrangements themselves
and still had the suits in their posses-
sion, despite requests that they be re-
turned. Since the merchant was kind
enough to give the use of these expen-
sive costumes free of charge, it is to
be hoped that this matter will be at-
tended to at once and that a proper
explanation of the delay be made.

Ann Arbor banks are used to hav-
ing student financiers invent original
and radical methods of banking, and
the laurel wreath may well be award-
ed to a freshman this year. This
young man had made a small deposit,
and overdrawn it in the course of
time. The bank promptly sent him a
notice. The answer, which came in
by return mail, was a check for the
amount on the same bank.—Michigan
Daily.

The course of lectures on forestry
by Mr. C. A. Scott of the United States
Forest Service will begin Monday,
January 4th and continue daily for two
weeks. These addresses will be open
to the public. They will be given at
one o'clock in room 110, Nebraska
Hall.

Camp's All-American.

Walter Camp has finally selected his
all-American football team. Only one
western man has received a position
on the first team. Eckersall of Chi-
cago, the famous drop-kicker and
quarterback, is the new all-American
quarter. The team selected by Mr.
Camp is as follows:

- End—Shevlin, Yale.
- Tackle—Lamson, Pennsylvania.
- Guard—Tripp, Yale.
- Center—Torrey, Pennsylvania.
- Guard—Burr, Harvard.
- Tackle—Squires, Harvard.
- End—Glaze, Dartmouth.
- Quarter—Eckersall, Chicago.
- Half—Roome, Yale.
- Half—Hubbard, Amherst.
- Full—McCormick, Princeton.

On the second and third teams Chi-
cago and Michigan each got three po-
sitions, Wisconsin two and Minnesota
one. Last year Bender of Nebraska
was on the third team.

Messiah Program.

Tomorrow the annual Christmas con-
vocation program will be given in Me-
morial Hall. Mrs. Raymond has
worked hard to make the Messiah pro-
gram this year the best ever. The
soloists selected are of the best, Mrs.
R. A. Holyoke, Miss Charlotte Hull-
horst, Mr. George Johnston, and Mr.
B. B. Gillespie. Miss Stella Rice will
be at the pipe organ. The final re-
hearsal of the Messiah will be held to-
night in Memorial Hall at 7:30 sharp.
Members of both the Glee Clubs are
requested to be present for this re-
hearsal.

All 11:30 classes on Wednesday are
excused in order that the students may
attend the program, which will last
an hour.

Several of the forestry boys will
spend their vacation in a study of the
lumber industry in the field. Mr. M.
A. Benedict left Saturday morning for
the northwest to investigate logging
operations as carried on in Idaho and
Washington, and Messrs. F. W. Mor-
rell, G. A. Parson, and C. J. Humphrey
leave today for the south, where they
will make similar studies in Arkansas
and Texas.

John R. Bender, the famous athlete,
who is now instructor in athletics at
Spearfish Normal, was on the campus
yesterday greeting old friends. He
will remain in Lincoln for a few days
and then proceed to his home in Sut-
ton, where he will spend the Christmas
holidays.

It is probable that Minnesota will be
dropped from Wisconsin's football
schedule for next year. Three games
like the one with Michigan, Chicago
and Minnesota are considered too hard
on the Badger team, and through the
recommendation of Phil King it is
probable that the latter game will be
dropped. The Minnesota game has
been kept up mainly as a source of
revenue. If the game is dropped the
Gophers will have been ostracized by
all the leaders in athletics among the
Big Nine. The only possible draw-
back that can arise from such an ar-
rangement is the strife which will
necessarily arise in regard to the
question of the Western championship.
If "Doc" Williams' proteges succeed
in winning from the second-rate
schools with which they are accus-
tomed for the most part to play, the
Gophers as usual will claim the west-
ern championship, and there will be
no way to settle the relative merits
of the teams. Nebraska will be the
only team that both Minnesota and
Michigan play, and it will be impossi-
ble to decide matters by the relative
scores.—Michigan Daily.

CHRISTMAS GOODS
FINE LEATHER NOVELTIES
USEFUL — DURABLE — ORNAMENTAL

POCKET BOOKS, Card Cases, Bill Books, Shop-
ping and Wrist Bags, Trunks, Oxford Bags,

Protected by Block Signals

The first railway in America to adopt the absolute
Block System in the operation of all trains was the

**Chicago, Milwaukee & St. Paul
Railway**

It to-day has more miles of road operated under
block signal rule than any other railway company.
The St. Paul Road was the first railway to light
its trains by electricity, and it now has more than
400 electric-lighted passenger cars in daily service.
Three trains from Union Station, Omaha, to Union
Station, Chicago, every day.
