

It's the Talk of Men Everywhere

## ARMSTRONG'S GREATEST CLEARING SALE

Hundreds of men buy their winter's supply during our annual clearing sale. All masculine Lincoln, and their thrifty wives, are interested in this great occasion.

The entire collection of Suits and Overcats is spic-span new, made up the Armstrong way, and yet they are sold at such prices as ordinarily would be expected only on odd lots and end-of-season stocks.

Come where your money stretches out and buys more quality and style than you can get elsewhere, regardless of what you pay.
