MY MAGAZINE, "INVESTING FOR PROFIT" (which I'll send free) is worth \$10 a copy to any man who intends to invest any money, however small; who has money invested unprofitably, or who can save \$5 or more per month, but who hasn't learned the art of investing for profit.
It demonstrates the REAL earning power of money—the knowledge financiers and bankers hide from the masses.
It shows how to invest small sums and how to make them grow into fortunes—the actual possibilities of intelligent investments.
It reveals the enormous profits bankers make and shows how one can make the same profits safely.
It explains HOW stupendous fortunes are made and WHY they are made—how \$1,000 grows to \$22,000.
To introduce my magazine write me NOW, mentioning this paper and I'll send it SIX MONTHS FREE.
