BASKETBALL GAME

BROWN'S BUSINESS COLLEGE TO MEET THE VARSITY.

Sioux City Athletes Contend With the Local Five in the Armory Tonight—Last Game of Season.

Tonight the varsity basket-ball team will line up for the last game on the home floor this season. Their opponents are well worthy of the best efforts the varsity can put forth. Tonight will be the last opportunity the people will have to see the varsity play ball before they go north to play Minnesota the last of next week.

The Brown's Business College of Sioux City are on a trip playing the strongest teams in South Dakota and Nebraska. Up to date they have played three and won three games, their last victory was over Bender's team at Lead, S. D., by a score of 27 to 18. Besides this victory, they defeated the Black Hills Giants by a score of 35 to 27, and Ft. Robinson by a good score. Last night they were to play Wesleyan at University Place. The Sioux City team recently won the Sioux City championship by defeating the Giants by a small margin, and they come here with a reputation hard to surpass for a season's playing.

The varsity line-up for tonight's game will be as follows:

Guards—Captain Hoar, D. Bell, P. Bell, Winters.

Center—Moser, Meyer.

Forwards—Walsh, Hagensick,

Officials—Referee, Warriner; umpire, Van Orsdel; official timekeeper, Cornell.

The game will be called at 8:15 p. m. sharp. Those wishing to secure tickets in advance may do so at either Harry Porter's or the Co-op book stores.

The snowdrifts piled on campus and track may suggest inactivity in outdoor athletics, but nevertheless preliminary work is going on.

Morse, captain of baseball team, reports about the same line-up as last year in pitching material, with the addition of Bowman, which gives him Nilson, Dort, Bowman and Morse as candidates.

Three men are out for the position behind the bat, Hyde, a candidate last year, and two new men, Karr and Thielle. For shortstop, Busseau, last year with Notre Dame, Jno. Dudgeon, P. R. Jones and Beltzer are trying, and the balance of the infield lines up with Hyde, Denslow and Barta for first, Rhine for second and Gaddis for third base.

For outfield, Cooke will play at center, Schmidt will hold down right field, and two other men, Harold Cooke and Bellamy, will try out. Fenlon, left fielder last year, will not be out, since he goes to Omaha this month. Morse may also play in right field.

Think what a souvenir the Sombbrero is. Pictures, sketches and cartoons of University life. Every student should have one. A few only left at \$1.00

Last Game of Season

ARMORY. THURSDAY NIGHT 8:15

CONVOCAATION.

Dean Pound Tells of Divorce Congress—Dr. Howard's Work.

Dean Pound, who was one of the delegates appointed by Governor Mickey to represent Nebraska at the "Congress of Uniform Divorce Laws," held in Philadelphia last February, gave a fifteen-minute address on the proceedings of the congress at convocation yesterday morning.

"The congress was called," said Dean Pound, "by the governor of Pennsylvania at the suggestion of the legislature of that state." The governor presided over the meeting in person and, contrary to the press reports, Dr. Pound found him to be a man of culture, wide learning and ability, handling the members of the convention with firmness and yet with a tact which prevented those parliamentary "spats" so common in such gatherings.

By unanimous vote of all the delegates attending the convention, it was resolved that, among other things, publicity of divorce proceedings should be urged, that all proceedings should be genuinely bona fide, and that every step possible should be taken to bring about the establishment of a uniform divorce law.

But the true solution of the question, as the entire congress voted it, is the reforming of our marriage laws. And at this point Dr. Pound paid Dr. Howard and the University a most flattering compliment.

"In every instance," said he, "Dr. Howard's work on marriage was referred to as the authority. It was con-

sidered by every member present to be the first of all works on that subject."

There were forty-one states and the District of Columbia represented at the congress, South Carolina, Nevada and Mississippi being the delinquent commonwealths. The delegates consisted of educators, lawyers, legislators, laymen and women, and among them were some of the most prominent men of the United States. There will be another meeting of the delegates some time in the spring, when definite steps will be taken toward abolishing the disastrous divorce evil.

Girls' Pan-Hell Play.

Members of the cast of the play to be given soon by the girls Pan-Hellenic Congress are meeting regularly and are working hard to get the play into shape. Each sorority is represented and the cast is composed entirely of Freshmen. They have proved exceedingly capable under the direction of one of the leading members of the elocution department and it is expected that the play will be a great success.

The play is an annual affair and is given to bring the girls together and give them a better opportunity to become acquainted. An informal reception follows the play. It will be remembered that last year the most important action taken by the congress was placing the ban on dancing during the week. This year the rule has been lived up to strictly and so far no member of any sorority has been found attending a University dance during the week.

SCHEDULE MADE

MANAGER MORRISON HAS COMPLETED SCHEDULE.

Colorado to Be the Thanksgiving Opponents—Minnesota at Minneapolis on October 27.

The football schedule has been practically completed by Manager Morrison. The season of 1906 presents but few changes from the schedules of the past two years, but one part of it which is very gratifying to Nebraska rooters is the fact that Kansas is on for November 17th at Lincoln. After the long period of two years without a game with the Jayhawkers, the people are eager for the gridiron contest, and this game alone should draw a large crowd. The game with Minnesota for next year comes a little earlier than the one played this year. This should prove a much better arrangement for the "Cornhuskers," as it was generally thought that the "Gopher" game came too late last year. Only two games will be played away from home next year, Minnesota and the Creighton game at Omaha. Both Knox and Ames will be brought to Lincoln for games this year and from past experience we have found that these teams are worthy opponents and always draw crowds.

Coach Foster will find plenty to keep him busy next fall if Nebraska ends the season with a clean sweep and ten victories. The prospects at the present time are not very optimistic, as we have lost so many varsity men. Cotton, Borg, Benedict, Weller, Johnson, Wilson and Nelson have all served their time or left school, which will make them ineligible for next year's team. Captain Mason has been busy getting a line on possible candidates and thinks that Nebraska should have a strong team even if they are mostly green men. Foster's assistant has not been selected yet, but it is quite likely a man will be chosen within the next few weeks.

The schedule which the varsity will have to face for next year is as follows:

September 29—Grand Island College at Lincoln.

October 6—Lincoln High School at Lincoln.

October 13—Knox College at Lincoln.

October 20—Iowa Agricultural College at Lincoln.

October 27—Minnesota at Minneapolis.

November 3—South Dakota at Lincoln.

November 10—Creighton College at Omaha.

November 17—Kansas at Lincoln.

November 24—Doane College at Lincoln.

November 29—Colorado at Lincoln.

Professor Nicholson, former head of the Department of Chemistry here, was a campus visitor Tuesday. Professor Nicholson is now constructing engineer of a large mining company having headquarters at Sumpter, Oregon.
