JUNIOR SOCIETY

State Hist. Society

GIRLS OF '07 FORM NEW SOCIETY

Object to Be Promotion of Class Spirit.

A new honorary society for girls in the Junior class said to have been in contemplation for some time, has just been organized under the mysterious name of the Order of Silver Serpent.

The pin is to be a small coiled serpent. Colors are silver and green. Ten Sophomore girls are to be chosen each spring by the Junior girls in the organization.

The Junior girls composing the organization are no longer shrouded in mystery.

The names of Juniors are Eleanor Andrews, Louise Brace, Eva Casey, Beatrice Clark, Georgia Field, Vinda Hudson, Helen Huse, Florence Parmelee, Beth Parkinson, Margery Richards. Ten senior girls have been elected to honorary membership. They are: Pearl Archibald, Ruth Bell, Mary Bidwell, Harriet Hutton, Edith Butler, Ethel Poke, Julia Deweese, Olive States, Ina Gittings, Leta Stotter.

Junior societies are very common in larger schools for girls as well as for men and Nebraska has been rather late in organizing. However, the order of the Silver Serpent promises to atone for the deficiency in a manner that is all that could be asked.

The election of the Sophomore girls who will be active members of the Silver Serpent next year will be held later and an initiation and banquet is being planned.

The object of the Silver Serpent seems shaded in as deep a mystery as are its founders, but the information was volunteered yesterday by one of the newly elected members that it was to promote student enterprises, especially those undertaken by the coeds and to create greater class interest.

Battalion to Take Part.

The order was read yesterday afternoon at drill, commanding the battalion of cadets to fall in Friday afternoon to take part in the funeral cortege of the late Hon. John M. Thayer, former governor of Nebraska. The funeral services will be in charge of the G. A. R. and interment will be at Wyuka cemetery.

Juniors Today.

The Junior class will meet today at 11 in Memorial Hall. A report of the Junior Prom will be given by the chairman and other class business will be taken up. The delay on the part of the chairman of the Prom has caused a little irritation among some members of the class. This has brought forward the usual charges of "graft" and the managers of the affair will be given a chance this morning to make a report and clear themselves.

Mrs. A. J. Morris, at University School of Music, will give a recital for graduation tonight in Memorial Hall. Public cordially invited.

Maxwell, 13th and N. Fresh candy.

MEMORIAL HALL

Friday, March Twenty-three

9:00 p. m.

Tickets 50c

Botany Club Celebrates.

The Botany Club, with malice aforethought, gathered Monday evening at their accustomed stamping grounds in costumes rivaling the Norwegian. And it was a goodly company of maidens fair and manly youths, twenty-five strong. Subdued titterings of the damsels, important pacings of the halls by said manly youths betokened something of importance in the wind. 'Twas the occasion of the annual bob sled party.

Twenty-five in one old bobsled didn't give much chance for promenading. But oh, it was delightful! You couldn't fall out, any more than the printer's wedged form can escape. Some kind soul had nailed slats lengthwise of the seats to keep one reminded that he was still there. Songs and yells, jokes and jeering, scraps and squabbles, an occasional burst of ~~spend by the four-horse team almost~~ into a trot made the perfect snow scene brim full of "doins."

But good enough was not enough. The generous hearted ladies of the club had prepared a "feed" at the hospitable home of one of them. Few were too bashful to indulge in that feed. Nothing but joy would have come of it had not the ladies magnanimously insisted in allowing the fellows part of the honor by calling on them for impromptu toasts. Zooks!

Registration Slips.

The call for delinquent registration came forth from the office yesterday in stentorian tones. Lists were posted on the bulletin boards yesterday containing names of thirty-eight students who had neglected to turn in their registration slips. The call is supplemented by a suggestion that credit will be withheld from the students whose names appear on the list, until the slips are turned in.

Honor Ex-Governor.

The University flag waved at half-mast yesterday, in honor of John M. Thayer, former governor of the state, who died Monday.

CONVOCATION.

Valkyrie Given in Part by Mrs. Holyoke and Mr. Johnston.

The musical program, which was to have been given Friday, was given yesterday at convocation, Mr. George Johnston and Mrs. A. R. Holyoke rendering the third scene of act one of "Valkyrie."

A brief account of the plot of the drama was given by Prof. Gumman, after which Mrs. Raymond gave the three climaxes of the piece on the piano.

The attendance was large, a fact which speaks well for the enthusiastic qualities of the student body.

Dr. French will speak on "Democracy and Culture," Friday.

DR. ROSS AT WASHINGTON.

Will Deliver a Series of Lectures at Seattle During the Summer.

Dr. Ross will give a three weeks course of lectures at the University of Washington during the summer. His subjects will be "Mob Violence" and "Race Suicide."

When seen yesterday relative to this announcement, Dr. Ross stated that he would leave for Seattle, where the university is located, late in June and after delivering his course of lectures would spend a week in the mountains of that state. Upon his return to Nebraska in the latter part of July or the first part of August the professor will remain in Lincoln until September 1st when he leaves for his new residence in Madison, Wisconsin.

The Y. M. C. A. and Y. W. C. A. will hold a joint meeting in Memorial Hall, Sunday afternoon at 3:00 o'clock. The gathering will be addressed by Miss Livermore, who recently returned from India, where she has been doing missionary work. Miss Livermore is a speaker of more than ordinary ability and has many interesting things to tell of her adventures while abroad. Don't forget the date—Sunday, March 25, at 3:00 p. m.

GYMNASIUM EXHIBITION

BIGGEST GYM EVENT OF THE YEAR
ARMORY, MARCH THIRTY ONE
EIGHT P. M. RESERVE THIS DATE

ATHLETES BUSY

FRATERNITY MANAGERS MEET TONIGHT.

Special Work in Gymnasium for Exhibition.

"Pat" McLaughlin, chairman of last year's inter-fraternity baseball managers, has called a meeting of the present managers to be held at the Delta Tau house tonight.

There are many points to be brought up and settled. The schedule was not finished last spring and the pennants were not definitely awarded.

The Phi Gams, who won on the "South Side," were given the second pennant, and Pat has the first hanging up in his room. He says, rather than make a mistake, he will keep it.

A silver cup was purchased several years ago and is at present in the hands of Delta Tau Delta, who were the last to win the championship.

Just what will be done about last year is not known. The leading teams on the North Side say they have some claim, and Phi Gam says, as it had the only team which was not defeated, it deserves first place.

Many minor affairs and a new schedule for this spring will be acted upon.

Dr. Clapp calls especial attention to the mass dumb-bell drill and the work of the boxing class, which will be two features of the gymnastic exhibition which will be held in the Armory on Saturday evening, March 31. The mass dumb-bell drill will be carried out by as many of the first-class men as can find room on the floor and about one hundred and twenty-five will take part. This work is strictly class work, specially developed to add interest to the exhibition.

The work in boxing will show the development of this new departure which I. P. Hewitt and Jack Best have been working with all winter and will consist of class work and a series of leads, parries and other fistic maneuvers that will please the most elite. The boxing stunts will conclude with a bout between Hewitt, former understudy of Gebhardt at the City Y. M. C. A., and Hale, a Lincoln man of some repute in the boxing fraternity.

The gymnastic team try-outs which were to have been held tonight in the armory have been postponed until Tuesday, April 3. This has been necessary because of a bad cut which Kiesselbach received yesterday while working in the chem. lab. Patterson also is suffering from a sprained wrist, and with two of the contestants in bad shape, it was thought best to postpone the trials.

On Friday evening Miss Maude Kendall of University Place will give one of her popular recitals consisting of solos, readings and impersonations at Assembly Hall, Agricultural College, under the auspices of the Y. M. C. A. Admission, 25 cents. Take State Farm care.

Union Shining Parlor—Shine, five cents; chairs for ladies. 1018 O St.
