MY MAGAZINE. "INVESTING FOR PROFIT" (which I'll send free) is worth \$10 a copy to any man who intends to invest any money, however small; who has money invested unprofitably, or who can save \$5 or more per month, but who hasn't learned the art of investing for profit.

It demonstrates the REAL earning power of money—the knowledge financiers and bankers hide from the masses.

It shows how to invest small sums and how to make them grow into fortunes—the actual possibilities of intelligent investments.

It reveals the enormous profits bankers make and shows how one can make the same profits safely.

It explains HOW stupendous fortunes are made and WHY they are made—how \$1,000 grows to \$22,000.

To introduce my magazine write me NOW, mentioning this paper and I'll send it SIX MONTHS FREE.

Gopher Medics Strike.
Because they have to pay \$3.00 for clinics at the St. Paul City and County Hospital the Junior Medics have gone on a strike. They held a class meeting yesterday and resolved not to pay the fee.

Dean Ritchie appeared before the class and asked them to reconsider the action. They did so and again passed the same resolutions without a dissenting vote.

The medical faculty is much stirred up over the matter and the class will not be allowed to attend clinics until the hospital-fee is paid.

Dr. McDougal to Speak.
Tuesday at 8 p. m., in the Botany Seminar room, Dr. McDougal will deliver an address to the botany students and others interested. His subject will probably be Desert Plants and Vegetation. Dr. McDougal is especially qualified to speak on this subject on account of his work in the deserts of Arizona and New Mexico. He was formerly Assistant Director of the New York Botanical Gardens, and from there went to Tucson, Arizona, to take charge of a station established by the Carnegie Institute. At present Dr. McDougal has complete charge of all the botanical research work being carried on by the Carnegie Institute. Dr. Bessey was especially fortunate in securing this date with one so prominent in the botanical world as Dr. McDougal.
