MY MAGAZINE, "INVESTING FOR PROFIT" (which I'll send free) is worth \$10 a copy to any man who intends to invest any money, however small; who has money invested unprofitably, or who can save \$5 or more per month, but who hasn't learned the art of investing for profit.

It demonstrates the REAL earning power of money—the knowledge financiers and bankers hide from the masses.

It shows how to invest small sums and how to make them grow into fortunes—the actual possibilities of intelligent investments.

It reveals the enormous profits bankers make and shows how one can make the same profits safely.

It explains HOW stupendous fortunes are made and WHY they are made—how \$1,000 grows to \$22,000.

To introduce my magazine write me NOW, mentioning this paper and I'll send it SIX MONTHS FREE.

UNIVERSITY BURNS.

Idaho Suffers the Loss of the Main Building.

The main building of the University of Idaho was totally destroyed by fire at midnight last Friday. The cause of the fire has not yet been learned.

A few hours before the conflagration broke out, Washington and Idaho had met in debate, the latter team carrying off the honors of the evening. The connection between the oratory and the blaze has not as yet been established.

Miss Bruman, from Theta chapter of Kappa Kappa Gamma of Missouri University, is visiting the Nebraska Kappas this week.

Mr. Charles McCarthy, Librarian of the Legislative Reference Department of the Wisconsin Free Library Commission will speak on the "Legislative Reference Idea" Monday, April 2, at 8 p. m., in the Memorial Hall of the University.
