MY MAGAZINE. "INVESTING FOR PROFIT" (which I'll send free) is worth \$10 a copy to any man who intends to invest any money, however small; who has money invested unprofitably, or who can save \$5 or more per month, but who hasn't learned the art of investing for profit.

It demonstrates the REAL earning power of money—the knowledge financiers and bankers hide from the masses.

It shows how to invest small sums and how to make them grow into fortunes—the actual possibilities of intelligent investments.

It reveals the enormous profits bankers make and shows how one can make the same profits safely.

It explains HOW stupendous fortunes are made and WHY they are made—how \$1,000 grows to \$22,000.

To introduce my magazine write me NOW, mentioning this paper and I'll send it SIX MONTHS FREE.

Dr. Vincent of Chicago University has been selected by Nebraska's debate team to serve as a judge in the Nebraska-Wisconsin debate to be held here April 20. The selection was made by the Wisconsin team. No choice has as yet been made by the Badger team, and it is probable that it will request the Cornhuskers to submit a new list. Nebraska as challenger elects but one judge. The same style debate used in the Michigan-Wisconsin debates will be employed with Nebraska. Each speaker will receive 15 minutes for rebuttal.—Daily Cardinal.
