FIRST FRAT GAMES

DELTA UPSILON AND ALPHA THETA CHI ARE VICTORIOUS.

Defeat Alpha Tau Omega and Beta Theta Pi in Two Interesting Baseball Games.

The first of the Inter-fraternity League baseball games was scheduled to be played last Thursday, April 5, but was postponed on account of wet weather. It was played yesterday, April 9, between the Delta Upsilon and the Alpha Taus. The Delta Upsilon won by a score of 12 to 11 after a most spectacular rally in the first part of the fifth inning. As the beginning of the fifth inning. At the beginning of this, the last, inning the score stood 11 to 4 in favor of the Alpha Taus, but Hall's three-bagger broke the spell, and before the Delta Upsilon went to the field they had scored eight runs. The Alpha Taus failed to run in any more and this made the final tally 12 to 11.

The Alpha Theta Chis and the Beta Theta Pis really opened the season last Saturday when, in spite of inclement weather, they finished a five-inning game. The Alpha Theta Chis won this game by a score of 14 to 6. They lined up as follows:

Alpha Theta Chis.	Beta Theta Pis.
Higgins..... c	McCrae
Hauser..... p	Ireland
Cronin..... 1st	Woods-Murphy
C. H. Purcell... 2nd	D. Bell
McDonald..... 3rd	Carril
Standeven..... ss	Pratt
Hoar..... lf	P. Bell
Sunderland.... rf	Downes
Denny..... cf	Charlton

Delta Upsilon and Alpha Tau Omega lined up:

Delta Upsilon.	Alpha Tau.
Pollard..... c	Reynolds
Sears-Hagensick.. p	Caley
Anderson..... 1st	Campbell
Smith..... 2nd	Laird
Hall..... 3rd	Howard
Day..... lf	Shamway
Winters..... rf	Campbell
Hagensick..... cf	Smith

The games scheduled for Saturday, April 7, between the Phi Delta Thetas and the Kappa Sigmas failed to materialize owing to a disagreement as to the time when it should be played. The Phi Deltas wanted an afternoon game, while the Kappa Sigs wanted to play in the forenoon. The game was postponed until after spring-vacation.

Break Ground for Temple.

The new \$100,000 Temple is now under construction. Mr. Jensen of this city, who has the contract, intends to push the work right along to an early completion. All University societies that have contributed toward its erection and clubs that are organized in the interests of the University are to have rooms there. The building is to be one of the finest of its kind, three stories high, with large committee rooms and club rooms. It will occupy the quarter of the block cornering on Twelfth and R streets.

The great advantages that the University will derive from this new home

Tickets \$2.50

can not be estimated. The Y. M. C. A. and Y. W. C. A. will have unlimited opportunities to do their work. The different societies, debating clubs and athletic boards will find themselves in a luxurious home and can go ahead with an enthusiasm that will surely carry success to all the worthy enterprises that will be undertaken.

MR. SWEARER AT CONVOCATION.

Korean Missionary Tells of Work in Asia—Interesting Address Given.

Mr. Swearer, for eight years a missionary at Soule, Korea, gave a very interesting talk on the little Asiatic kingdom and its people at convocation yesterday.

Although missionaries have been at work in Korea but twenty years, said Mr. Swearer, they have converted over 70,000 of the 12,000,000 inhabitants of the country, to which number hundreds are added every month. At present there are only three regularly established missions on the peninsula, although there are many missionaries scattered throughout the country. Their number is about one hundred and forty.

In speaking of the customs of the people, Mr. Swearer told a number of amusing anecdotes and an occasional story. In disposition the Korean, said he, is quite different than either the Japanese or the Chinese. The Jap is a militant man, the "Chinee" a trader, but the Korean is a scholar and a thinker. They are a nation of dreamers at present, but in time will in all probability prove to be the equal of any Asiatic race.

During the afternoon Mr. Swearer held a series of twenty-minute interviews with those students interested in missions and mission work. Every period was filled, which shows in part at least, that Nebraska's student body is not entirely muscle-mad.

Glee Club.

It is rumored around that the Glee and Mandolin Clubs are going to make another trip to Omaha and give another concert. The club as a whole believe that a full house can be had if the city is worked and club advertised as it should be.

Some pretty good offers have been made on the Lyceum circuit and the club is also wanted at Geneva, but the executive committee have not decided as yet what offer shall be accepted to finish paying off the small indebtedness that remains.

Fraternity Games.

Games.	W.	L.	P.C.
Delta Upsilon...	1	0	1000
Alpha Theta Chi.	1	0	1000
Alpha Tau Omega	1	0	.000
Beta Theta Pi...	1	0	.000

FOOTBALL GAME TO BE PLAYED.

Exhibition of New Rules to be Given Some Time Next Month.

Manager Morrison and Assistant Manager Woods have confirmed the rumor concerning a spring football game. For several days a report has been going around that a game would be played some time next month to try out the rules as made by the rules committee.

The idea is to have some college team, preferably Doane, and the Uni have a short-exhibition game to see just how radical the reform has been.

This game will be played about May 1st, and Dr. Lees, one of the most enthusiastic members of the Athletic Board, will referee the game. He being one of the committee to form the new rules, is probably more familiar with the future game than any one in the West.

Much interest is being shown by all football enthusiasts, who are struggling to save the old game, and the reformers, who are attempting to kill it.

The new ten-yard rule is causing most of the worry. Whether it will cause open play or develop a heavy line is the question. The forward pass, the fair catch, and abolition of hurdling are also much discussed.

Junior Party.

The Junior boys and girls have at last decided to change their identity on Saturday, May 5th, and become children again. Little Mary and her lamb and Sissy Nots will be there and perhaps the barefoot boy with cheeks of tan. A great feast is being prepared for the little ones with mountains of ice cream and sticks of candy as big as lamp-posts. It will only cost the children 35 cents each, but goodness knows how much the grown up folks will have to pay. They aren't going to hire a special trolley, but if any one doesn't get out there in time for supper at 5 o'clock they won't get very much. They are going to have the grind-organ man there and play ring-around-a-rosey, only you mustn't feed the monkey taffy. You better ask your ma to make you a new dress and a bow for your hair and come.

JUDGES CHOSEN

GOV. CUMMINGS OF IOWA AND F. C. HOWE OF CLEVELAND.

Third Judge Will Be Announced Today—Selected From List Submitted by Nebraska Board.

Governor A. C. Cummings of Iowa and Fred C. Howe, an eminent lawyer and economist of Cleveland, Ohio, have been chosen to act as judges of the Wisconsin-Nebraska debate. They were selected from the list of eleven nominations sent to Madison last week by Nebraska. The third judge, to be chosen by Nebraska from the nine names submitted to us by Wisconsin recently, will probably be announced today or tomorrow, the Debating Board not yet having fully decided upon the matter. Although both universities are highly pleased with the qualifications of the two judges already selected, it is not yet definitely known whether or not they will be able to fill the engagement, neither of them having had time to answer the invitation.

Now that the question of judges has been settled for the time being, the debating board is turning its attention to the proposed party of rooters which will accompany the team on its northern trip. The athletic team, together with Dr. Clapp, will, in all probability, be present at Liberty Hall the evening of the debate to cheer for Nebraska. In addition to these, many students have already signified their intention of accompanying the team, as have several members of the faculty, and even some of the townspeople. In fact, the indications are that with the low rates promised, a very creditable crowd of Nebraska supporters will do homage to the scarlet and cream when its representatives in debates meet the Badgers one week from next Friday night. The rates, although not yet definitely fixed, will probably be one fare for the round trip or better. They will be announced, if possible, before the Easter recess in order to allow those students who are contemplating taking the trip an opportunity to get ahead in their work during the vacation.

That this debate will be one of the best debates of the year there is little doubt. Wisconsin is already anticipating a close match by summoning its alumnae to Madison for the occasion, while Nebraska is doing her best to take a bunch of students along to root for the Cornhuskers.

It is quite likely that the meeting of the Western Intercollegiate Gymnastic Association which was to be held at the University of Wisconsin will be called off. This is due to the fact that several of the schools could not send teams. Nebraska seemed to be the only university outside of Wisconsin to enter. If a dual meet is decided upon it is quite likely that Madison will be the place of meeting.

You ought to take home a souvenir of the University to the folks. They will appreciate it. Get it at the University Book Store.
