## BRYANITES' GAME

Varsity Defeated Yesterday at Antelope Park.

Leaguers Walk Away With Victory by Score of 7 to 1—Bowman Pitched and Makes the Only Score.

The varsity met defeat at the hands of the Bryanites yesterday at Antelope Park. The score at the end of nine innings stood 7 to 1 in favor of the leaguers. From a spectator's point of view the game was rather a poor exhibition, for the varsity failed to hold the professionals down sufficiently to make the affair very exciting.

Bowman pitched for the varsity, but was not effective at any time during the game. "Ducky" Holmes' men found him almost at will and sometimes they were able to land on him hard and heavy. Bowman has a few good curves but has not the control or speed to make them effective. The support given him was fairly good, but the strong wind made it almost impossible for the players to judge the true course of the sphere.

This is the last game Eager's ball tossers will play before they go east, the last of this week. It is sincerely hoped that the varsity will take a decided brace on the trip.

The men are getting their positions down well, and less errors occur in every game. Of course the weak places on the team are those filled by new men. In the infield, Denslow at short and Karr behind the bat show up to the best advantage. In the outfield Bellamy and Dovey of the new men are probably the best. But it is doubtful whether the latter will be taken on the trip, since either Nilsson or Dort play a good fielding game.

The Athletic Board in its meeting Monday evening took up the eastern trip and considered the advisability of sending the bunch of men that are now out on a trip. This was brought about by some of the varsity players themselves, who thought it was hardly advisable to go on the trip. Up to this time there is nothing very definite as to whether the trip will be taken or not.

The line-up in yesterday's game was as follows:

| Varsity.             | League.      |
|----------------------|--------------|
| Bowman..... p.       | .....Holmes  |
| Carroll..... c.      | .....Zimran  |

Summary:  
Hits—Varsity 5, League 12. Errors—Varsity 2, League 3. Two-base hits, Cooke. Three-base hits—Quillin, Thomas, Zimran. Home runs—Bowman. Double plays—Bowman to Rine to Barta. First base on errors—Varsity 3, League 2.

## COMMITTEEMEN DINNER

ST. PAUL'S CHURCH

FRIDAY, APRIL TWENTY-SEVEN

6:15 P. M.

### SOPHOMORES MEET.

Hold Interesting Session Yesterday Morning—Committees Appointed.

The Sophomores met in Memorial Hall yesterday morning and heard President Yoder's committee appointments and decided to have a double-header picnic at the State Farm about the 18th of May.

The finance committee of the class of '08 for this semester will be as follows: Chairman, B. A. Eaton, Chas. Overman, F. N. Menefee, A. H. Miller and H. L. Wilson

Long was appointed baseball manager for the class team and the captain will be elected by the players. The manager urges all Sophs who are interested in the game to get out and try for the team, since he has a good schedule in view.

Besides a genuine old-fashioned basket picnic, with social stunts to please the most exacting members of the class, an informal hop will be given for those who wish to "trip the light fantastic." M. J. Hughes has the entire affair in charge, while Hugh Wallace and Esther Wood will care for the social stunts of the picnic proper. The entire committee is: M. J. Hughes, chairman, Hugh Wallace, Esther Wood, sub-chairman, M. C. Joslyn, master of ceremonies, Miss McIntosh and F. A. Crites.

### Senior Party.

Some have even dared to ask if there was a good time assured for those who attend the Senior party. We are so sure of this fact that if any one does not have the best time they ever had we will see that that one is fully compensated for their expenditure of time and money.

The date was secured so far in advance it was hoped that no one would make other arrangements. As there are so many things on for that night and we find some have made arrangements to attend some other school function, it is up to every one who possibly can to be out.

If the boys think it is hard to fix

up as little fellows, it will be best to see one of the boys on the committee, as they have an easy plan up their sleeves ready to spring it on you any time.

The price is fifteen cents, contrary to the fact that it was first announced as twenty cents. Let every fellow see that he is there. The girls claim they can take care of themselves. April 28, Saturday evening, at 8 o'clock sharp, is the time.

### Big Doings.

Great events happen only rarely. It is now nearly a year since the last dinner of the Y. M. C. A. committeemen and it has been reported, though perhaps falsely, that some of the fellows have been starving the "inner man" ever since in order to do justice to the dinner Friday evening. To meet such conditions great preparations are on. The social committee is busy preparing a spread which they guarantee will satisfy the demands of the most hungry, even, such men as "Doc" Sidwell and "Fritz" Lundin.

The call for dinner will be given promptly at 6:15 next Friday, April 27th. A special program of music and toasts will be announced later.

### New Debating League.

A new debating league has been formed by three western colleges. The league will be a triangular affair between Northwestern, Michigan and Chicago. Each university will have two debating teams, one to support the affirmative and the other the negative of the same subject. One team will remain at home while the other will debate with a team from one of the other universities in the league so that each member of the league will have two teams debating on the same night.

This plan is in operation in Iowa with Grinnell, Drake and Ames as principals. It works well.

Just received, a big shipment of fine "Old Plymouth" linen writing paper. Best quality on the market, only 50c per box at the Uni. Book Store.

## TENNIS PRACTICE

MANY OUT FOR TENNIS TEAM THIS YEAR.

Raquetters Again Busy on the Courts—Several Proposed Tournaments Are Up for Consideration.

The tennis season has begun. Three courts have been put into condition west of the Library building and three new nets stretched, all of which, judging from present indications, will be in constant use until the close of school.

Although no definite plans have as yet been adopted relative to an intercollegiate meet, it is quite probable that a series of games will be played with teams from some sister institutions late in May. Last year and the year before we met the Universities of Iowa and Minnesota, but whether we will meet either of them this year is very doubtful. For some cause or other, tennis tournaments have not proved expense-payers in the past and it is for that reason that the Tennis Association is slow about entering into negotiations for an intercollegiate match this spring.

There is much good tennis material in the University this year, however, and should a tournament be arranged Nebraska ought to stand a fair chance of repeating the little feat of 1904, when Cassady and Scribner so handily defeated the Gophers.

### Interscholastic Field Meet.

The program for the interscholastic field meet held in Lincoln on May 21st has been decided upon. It is the same as last year, yet there is some possibility that the discus throw will be added. The program is as follows:

Track events—100 yard dash, one-half mile run, 120 yard hurdle, 440 yard run, one mile run, 220 yard dash, 220 yard hurdle, one-half mile relay race (teams to consist of four men, each man to run 220 yards). If necessary, preliminaries will be run in 100 and 220 yad dash, also in 120 and 220 yard hurdles.

Field events—Pole vault, 12-pound shot put, running high jump, 12-pound hammer throw and running broad jump.

Field and track events will go on together. So far as possible allowance will be made for contestants where events conflict. Contestants are advised not to enter more than three events.

Each school is allowed to enter ten men. Only two men from each school to start in any event.

### Fraternity Games.
