FAIL TO ABOLISH

ATHLETIC BOARD WILL REQUIRE TAX AT NEXT ELECTION.

Do Not Think It Advisable to Remove the Tax at This Time—Result of Board Meeting Yesterday.

The Athletic Board at its meeting yesterday considered the petition presented by the Associated Barbs for the removal of the twenty-five cent tax on the ballot at the election of student members of the Athletic Board and by an almost unanimous vote decided to retain the tax. The reason for their action seems to be based largely on the present condition of the finances of the Board and the need of raising money to pay off the deficit. There is now a deficit of about eight hundred dollars, and it is probable that this amount will be increased somewhat by the end of the track season. With these facts in mind the Board did not seem to feel that it could remove the tax.

In view of the action taken by the Associated Barbs Thursday, it is with considerable interest that the students await the next meeting of that organization. The members of the association feel a little indignant over the action of the Board and a few are advocating quite radical measures. It has even been suggested by some of the most radical that they boycott athletics until the fee is removed. A number of other plans have been suggested. No definite plan of action has been agreed upon among the leaders as yet. President Myers, when asked what action would likely be taken, had the following to say:

"If the Athletic Board retained the fee as a money making proposition I fear that they will be disappointed. I cannot say at this time just what action the Barbs will take. A meeting of the Association will be held next week and some action taken. A number of courses of action have been suggested and these suggestions will be threshed out at that meeting. We shall stand by the action Thursday and do all in our power to make that action effective. The Barbs will have no ticket in the field at the coming election if the twenty-five cent tax is not removed. We shall not only not put up a ticket, but shall try to keep our members from voting. Such other action will be taken as seems advisable."

The Athletic Board, at its special meeting yesterday morning, appointed a committee to settle upon the method of election. The consensus of the members was that the election should be made more orderly. It was also thought that all voters should register previous to the election, and pay fees at this time, and on election day no unregistered student should be permitted to vote under any circumstances. The registering is to remove any suspicion of purchasing votes.

The subject was very thoroughly threshed out and the majority of the sentiment was that the abolition of the fee would not correct the evil. It is no secret that the board is in need of the money and it feels that the stu-

dent body should be loyal enough to contribute at least twenty-five cents each towards the cause of athletics. And if the previous registration system, which is the spirit of the present ruling, is carried out it will eliminate petty politics from student board elections as nothing else can. In view of this fact, a motion was passed that the present rule of the board with reference to the qualification relative to voting for student members of the Athletic Board be not changed.

BATTALION CAMP.

Beatrice Is Selected for the Encampment This Year.

Although it has not been officially announced, it is very probable that the University battalion will encamp in Beatrice. For some time Captain Workizer has had two places under consideration, Ashland and Beatrice. The citizens of the latter city are desirous of having the cadets come to that place and the majority of the men are in favor of Beatrice.

In case the battalion does go there the tents will be pitched at the Chautauqua grounds. These grounds are an ideal place for the building of a tented city and the holding of an encampment such as is planned for the members of the battalion. It is located in the southern part of the city, and it is planned to have exhibition drills in the evening. The full University band of over forty pieces will accompany the battalion and give daily open air concerts.

May 29 to June 2, has been selected for the encampment.

Fraternity Games.

	Games.	W.	L.	P.C.
Delta Tau	2	2	0	1000
Delta Upsilon	1	1	0	1000
Alpha Theta Chi	1	1	0	1000
Phi Gamma Delta	1	1	0	1000
Phi Kappa Psi	1	1	0	1000
Alpha Tau Omega	1	0	1	.000
Sigma Chi	1	0	1	.000
Sigma Alpha Epsilon	2	0	2	.000
Beta Theta Pi	2	0	2	.000

THE Y. M. C. A. DINNER.

Committeemen Spring a Pleasing Surprise in the Shape of Edibles.

In spite of the inclement weather, the committeemen's dinner, given at St. Paul's church last evening, was one of the most successful projects yet undertaken by the association. The attendance was large, 125 being present, the speeches rare, the vituals splendid. Every one present—which includes many—enjoyed himself to the fullest extent, which speaks well not only for the speakers and the cooks, but reflects credit upon the association as a whole.

It was the general consensus of opinion by all who attended the feast that if the Y. W. C. A.'s May breakfast excels the Y. M.'s April dinner it will be the best exhibition of chef artistry ever given in Lancaster precinct. There were those present who claimed it couldn't be done. The Y. W. cooks, however, are confident that those enthusiasts will be proven in error a week hence.

State Secretary Bailey of the Y. M. C. A. was present and acted as toastmaster. Bailey's jokes were always productive of good hearty laughter, and his serious remarks were listened to with great attentiveness. Professor Condra also spoke, and he, as usual, received the best of attention from the fellows. Many other short speeches were made which kept the affair one of interest throughout.

Sigma Alpha Epsilon Smoker.

All the fraternity men of the University met at the Sig Alph house on Thursday night to enjoy a smoker given to them by the Sig Alphas. A larger and more agreeable bunch of fellows have seldom got together in the history of the University, and all the men cast aside formality and good fellowship ran high for a few hours. The Sig Alphas need no pointers as entertainers, for every man present expressed himself as having one of the most enjoyable times of the year.

BASE BALL TRIP

TO MAKE TWO WEEKS' TRIP, AND PLAYING TWELVE GAMES.

Cooke Does Not Accompany Team—Ten Men Leave With Manager Eager—Ames Today.

The baseball team left today over the Burlington to Omaha, whence they will go via the Northwestern to Ames, Iowa, for the first game. And at last, inspite of the dark foreboding clouds that have been hanging over baseball, the eastern trip is a reality. And it is a matter of general satisfaction that the trip is assured, for the knockers have been busy telling the troubles of the various players that never existed, as if men had not played baseball before without sacrificing their privilege of graduation.

Morse is bringing out as good a bunch of men as has left Lincoln this season and unless the fact that they have been shifted so often makes too great a difference, it is only reasonable to expect a victory in the majority of the games. The men will line up and play as follows:

Rine, shortstop; Barta, first base; Hyde, catcher; Carroll, catcher and right field; Denslow, center field; Bellamy, left field; Nillson, pitcher and second base; Dort, pitcher; Morse, pitcher and second base; Gaddis, third base, and Davey, right field.

We haven't grounds for basing too great hopes for winning the majority of the games, for the teams which Nebraska will meet are all making good report of themselves and the Cornhuskers are traveling and meeting these teams on their home diamond.

The Eastern schedule is:

April 28-30—Iowa State Agricultural College, Ames, Iowa.

May 1—Grinnell College at Grinnell.

May 2—University of Iowa at Iowa City.

May 3—Knox College at Galesburg, Ill.

May 4—Open date.

May 5—Purdue at Lafayette, Ind.

May 7—Indiana State at Bloomington.

May 8—James Millikin University at Decatur, Ill.

May 9—Illinois State University at Champagne, Ill.

May 10—Wabash College at Crawfords, Ind.

May 11—Notre Dame at South Bend, Ind.

May 12—Creighton University at Omaha.

These games on the home diamond will close the regular season: Kansas University, May 18 and 19, and Creighton College, June 2.

Phi Psi Win.

Phi Kappa Psi defeated Sigma Alpha Epsilon yesterday in a five-inning game. The score at the end of the game stood 11-6. Both pitchers were hit pretty freely and long hits seemed to be the feature of the contest. The game could not be finished on account of the Lincoln High School class meet which was to occupy the grounds from 2:30 o'clock on.
