CLASH

BLAIR FIRST, LINCOLN-BEATRICE
SECOND, YORK THIRD.

Haegan Carries Off First Honor, With
Lincoln and Beatrice Tied
for Second.

While the warriors of the track were battling for inter-scholastic honors on Nebraska Field yesterday afternoon, the warriors of the platform were waging tremendous warfare for the inter-scholastic debate trophy in Memorial Hall. The supervision and control of life insurance companies was the bone of contention and with York, Beatrice and Omaha pitted against North Platte, Lincoln, Blair and Ord, the battle was fought to a finish.

Grover Haegan of Blair was awarded first place, with Alice Mocket of Lincoln and James Lawrence of Beatrice a tie for second, and R. L. Gilmore of York third. The other schools represented in the contest were: Ord, Archie Coombs; North Platte, Guy Gelugan; Omaha, Carroll Belden.

During the intermission between the close of the debate and the decision of the judges State Superintendent McBryan, the presiding officer, called on the following high school instructors for short addresses: E. B. Sherman, Columbus; Superintendent Gardner, Fremont; Lucy Clark, Lincoln; C. M. Bracelin, Omaha; Superintendent Holm, Blair; Mr. Cutter, Beatrice; Nell Cronin, Lincoln, and Professor Fogg of the University. The theme of all the discussions was that there should be established throughout the state a system of district debating contests, the winners of which should represent their respective districts in the annual debate on High School day. That such a scheme would be highly beneficial to all concerned seemed to be the unanimous opinion of the speakers.

Professors Costigan and Ayres of the College of Law and Mr. Gas of the department of Rhetoric acted as judges of the debate and Professor Fogg as time-keeper.

Following the debate the representatives of the Interscholastic Debating Association held their annual meeting and decided upon plans for the coming year. The association consists of the following schools: Ord, Lincoln, Omaha, Blair, Hastings, Beatrice, North Platte and York, all of which (except Hastings) were represented in the annual debate yesterday.

The chief engineer of the Northwestern railroad in Alaska, located at Copper River, has written Professor Stout asking for the names of men to fill positions under him as draftsmen and instrument men.

A dancing party was given the dormitory girls Saturday evening. The dining hall was prettily decorated with ferns and Japanese lanterns and umbrellas.

NEW LIBRARY SYSTEM.

Badgers Disburse Reference Books Among High Schools.

The latest thing in the way of starting the young on the right road to immortal fame has been devised by the librarian at the University of Wisconsin. With the approach of the inter-scholastic debate season, this librarian gathers a complete bibliography on the question for debate and sends copies of it to the various high schools in the state. In this way the University library at Madison is made to serve hundreds of high school students at a very nominal cost to the schools thus accommodated.

A system quite similar to this one has also been tried with pleasing results by both Minnesota and Michigan.

CARTOONS IN HISTORY.

Novel Lecture Given by History Department Yesterday.

Professor Cladwell and Mr. Aylsworth gave a very interesting lecture Friday on the relation of cartoons to American history from the year 1847 down to the present day. The talk was illustrated throughout with stereopticon views made from the original cartoon drawings and was given twice during the day, in the morning at nine o'clock and again in the afternoon at four. As they were open to everyone, both lectures were well attended.

GRADUATE CLUB MEETS.

Last Session of the Year to Be Held Tonight.

The final meeting of the Graduate Club will be held at the home of J. E. Miller, 1849 C street this evening. The program will consist of several musical numbers, an address by Dr. Ross on "The Gendarmes of Society," after which officers for the ensuing year will be elected and refreshments served.

As this will be the last meeting of the Club this year, it is urged that all members who possibly can attend to do so.

SPECIAL CONVOCATION.

Memorial Hall Turned over to High School Visitors.

Before one of the largest audiences ever assembled in Memorial Hall, Chancellor Andrews welcomed the visiting high school students and instructors to the University yesterday morning. During the convocation period, which was extended to twelve o'clock, the following musical program was rendered by University talent:

University Glee Club.

Indian Music.

American Indian Melodies (harmonized by Arthur Farwell).

a. The Approach of the Thunder God.

b. The Old Man's Love Song.

c. The Mother's Vow.

d. Song of the Ghost Dance.

Mrs. Fred Funke, soloist.

Miss Louise Burrus, accompanist.

Melodrama—*Hiawatha's Wooing.*

Miss Josephine Poynter, reader.

Miss Maude Risser, pianist.

Mandolin Club.

To Give Recital.

Miss Howell is arranging two recitals for May 16th and 23rd. The first one is to be given by her first year class and the second by advanced students. These programs will begin at 8 o'clock in the evening of the days mentioned. Besides the reading, the students of the School of Music will give some instrumental and vocal selections.

Those on the first program are the ones selected from the first year's class by the votes of the members. They compose the best students of these classes, and a fine program is assured. Misses Cull, Boose, Adams, Butler, Tully, Hartley, Day and Agee and Messrs. Ellsworth Davis and Rutledge are the ones taking part.

The Betas will entertain next Friday evening.

YORK WINS MEET

DEFEATS BEATRICE FOR FIRST
PLACE IN INTERSCHOLAS-
TIC EVENTS.

Beaver City and Pawnee City Secure
Third and Fourth Place Respec-
tively—Burnham Made
Good Time.

The spectators of the Interscholastic field meet held yesterday on the Athletic field were treated to one of the most interesting meets in the history of Fete day. From start to finish interest was high, and the supporters of the different school grew very enthusiastic. In the beginning it looked as if Beatrice was to carry off the meet, but York soon came with a few firsts and in five events were able to clinch the pennant. All the representatives did good work, many reflecting much honor upon the schools they represented. Third place was taken by Beaver City, Modlin being their heaviest point winner taking first in the hundred and two hundred and twenty.

The prettiest races of the afternoon were the distance events, and the relay. Beaver City and Beatrice fought it out for first place in the last event, and only by the strong race of Thornburg was Beatrice able to win. Burnham of Pawnee City won both the half and mile. His time in these events was very good. Burnham in his events was probably the strongest man on the field, for he proved himself to be a little better than the average high school man, while the others did not. York had some strong men in McDonald, Mead and Crutchfield, and Beatrice in Schultz, Brandt and Thornburg.

The result of the field meet was as follows:

100 yard dash—Modlin, Beaver City, first; Porter, Crete, second; Shackleton, Beatrice, third. Time, 11 seconds.

Running high jump—Diers, York, first; Collier, Fairbury, second; Shock, Falls City, and Mead, York, tied for third. Five feet 6 inches.

12-pound hammer throw—Critchfield, York, first; Kersenbrock, Crete, second; Rodewald, Falls City, third. 123 feet.

120-yard hurdle race—McDonald, York, first; Shackleton, Beatrice, second; Osborn, York, third. Time, 18 seconds.

Discus throw—Chain, York, first; Lundy, Shubert, second; Critchfield, York, third. Distance 97 feet 5 inches.

Half-mile run, four men on each team, each to run 220 yards—Beatrice first (Calkins, Shackleton, Johnson, Schultz); Beaver City second (Modlin, Hirnt, Curtis, Collier); Plattsmouth third (Mine, Adams, Mapes, Barnes, Smith). Time, 1:48 2-5.

Running broad jump—Mead, York, first; Collier, Fairbury, second; Diers, York, third; 20 feet 1-4 inch.

One mile race—Burnham, Pawnee City, first; Fallon, Falls City, second; Johnson, Pawnee City, third. Time 5:16 3-5.

220-yard dash—Modlin, Beaver City, (Continued on page 3.)
