VARSITY RETURNS

BASEBALL TEAM ARRIVES IN LINCOLN ON SATURDAY.

Crippled Condition of the Men Accounts for Their Long List of Defeats—Play Kansas This Week.

The eastern baseball schedule of the Cornhuskers for 1906 has been played and in consideration of the "hard luck" encountered by Morse and his bunch, the four games to his credit and the score do not tell the whole story.

The first five games of the schedule were lately reviewed in The Nebraskan and this leaves the seven others to be accounted for as follows: On the 5th of May it looked like anybody's game up to the seventh inning, when Purdue, at Lafayette, succeeded in the last two innings in running in three scores to Nebraska's one. The varsity bested them on hits by 6 to 4 and only made 3 errors to their 4. On the 7th the Lincolnites played the first shut out game of the season, leaving the Indiana State University with a goose-egg as against five runs. Morse pitched the game and gave them five hits, but Nebraska got four and played an errorless game. James Millikin University showed up stronger than was expected and played a 5 to 8 game with the Westerners to the bad. In this game, too, the varsity made more hits than their opponents, 9 to 7, and both teams fumbled three times. Carroll pitched the game, since Nilsson was troubled with his broken ribs. The bunch didn't meet Illinois State University at Champagne on the 9th owing to a rain storm. On the 10th Wabash turned tables in the goose-egg game, when the doughnut was on Nebraska's page of the score book.

The South Benders made three runs, touched Morse and Dort for eight hits and only made two errors. They put Robush into the box and the varsity's failure to hit him more than once threw the game. Notre Dame also made it interesting for the team but 3 to 6 isn't a bad game.

It seems that the varsity played too much ping pong at Omaha and allowed the Creighton College bunch a walk-over, 4 to 2, gave 12 hits and only got 6, and made 4 errors to 3 made by the Creightons.

The Eastern schedule as played sums up:

At Ames, Ia., April 28—Runs, varsity 4, Iowa State Agricultural College 1; errors, varsity 3, opponents 3; hits, varsity 12, opponents 5; Dort.

At Ames, Ia., April 30—Rain, no game.

At Grinnell, Ia., May 1—Runs, varsity 5, Grinnell 2; errors, varsity 3, opponents 4; hits, varsity 9, opponents 4; Dort.

At Iowa City, Ia., May 2—Runs, varsity 2; Iowa State 3; errors, varsity 4, opponents 1; hits, varsity 3, opponents 8; Morse.

At Galesburg, Ill., May 3—Runs, varsity 6; Knox College 8; errors, varsity 5, opponents 5; hits, varsity 8, opponents 3; Nilsson.

At Lafayette, Ind., May 5—Runs,

varsity 1, Purdue 3; errors, varsity 3, opponents 4; hits, varsity 6, opponents 4; Dort.

At Bloomington, Ind., May 7—Runs, varsity 5, Indiana State University 0; errors, varsity 0, opponents 4; hits, varsity 4, opponents 6; Morse.

At Decatur, Ill., May 8—Runs, varsity 5, James Millikin University 8; errors, varsity 3, opponents 3; hits, varsity 9, opponents 7; Carroll.

At Champagne, Ill., Illinois State University, May 9—Rain, no game.

At South Bend, Ind., May 10—Runs, varsity 0, Wabash College 3; errors, varsity 4, opponents 3; hits, varsity 1, opponents 8; Morse and Dort.

At Notre Dame, Ind., May 11—Runs, varsity 3, Notre Dame 6; errors, varsity 5, opponents 2; hits, varsity 5, opponents 6; Dort.

At Omaha, Nebr., May 12—Runs, varsity 2, Creighton College 4; errors, varsity 4, opponents 3; hits, varsity 6, opponents 12; Morse and Dort.

Fraternity Council Meets.

The Fraternity Council held its regular meeting in University Hall last evening. Dr. Lees, chairman of the Council, presided and Chancellor Andrews gave a brief address relative to certain evils existing among the fraternities at present and what measures should be taken to abolish them.

Although nothing definite could be obtained at the time The Nebraskan went to press, it is quite probable that steps were taken toward fulfilling the desires of Chancellor Andrews regarding the proposed reforms.

Chicago Wins Track Meet.

The track meet at Marshall field Saturday between the teams of Chicago and Wisconsin went to the former by the score of 80 to 46. Captain Parry of Chicago made a new western intercollegiate record of 161 feet 7 1-2 inches in the sixteen pound hammer throw. The former mark was 157 feet 8 1-2 inches and held by Parry.

ORA H. TIMMERMAN.

Former Instructor Dies at Los Angeles on May 8th.

The death of Ora H. Timmerman at Los Angeles, California, May 8, came as a shock to the University. Although Mr. Timmerman was compelled to give up his position as instructor in the Engineering department last December on account of ill health, his condition was not at that time considered serious.

The deceased was the only son of Jason Timmerman of Stella, Nebr. He was born October 8, 1861, entered the University in 1900, and would have graduated in 1905 had he not been compelled to leave the University on account of poor health the winter of 1904. He accepted a position as civil engineer on the San Pedro, Los Angeles & Salt Lake railroad in Nevada. He spent the summer of '05 in the United States Geological Survey in Colorado, returning to the University in the fall to accept a position in the Engineering department. He was married to Miss Nettie Jane Stewart of North Loup, December 23, 1905.

Mr. Timmerman was a member of Kappa Sigma and Sigma Tau fraternities, the Engineering Society, and held the position of county engineer in Richardson county.

His friend, Robert Burdette, requested the privilege of preaching a short sermon over his body in Los Angeles before it was shipped to Stella, Nebr., where the funeral was held on Sunday, May 12. The remains were interred in the Stella cemetery, laid out by Mr. Timmerman himself.

The following Kappa Sigma brothers attended the funeral and acted as pall-bearers: Charles Week, Wallin Shindall, Verne Hedge, William King, George Davis of Omaha, John Westover and Harry Byrne of Baltimore.

Ray Thomas, '04, died Sunday of typhoid fever. He was a graduate of the C. E. department, and one of the most prominent men graduating in the past few years.

FRATS PLAY BALL

KAPPA SIGMA, PHI PSI AND BETA THETA PI THE VICTORS.

Defeat Phi Gam, Alpha Theta Chi and Sigma Alpha in Closely Contested Games—Season Nearly Over.

Saturday afternoon the Phi Gamma Deltas suffered their first defeat in two years. The Kappa Sigmas proved to be the stronger players in every part of the game, especially in hitting the ball. The pitching of both Caughey and Belcher was good, but few good hits being secured off either man. The game was anybody's until the last, when Cooke slid home with the winning run. This is the second game won by the Kappa Sigma and from present indications they will make a close race for first place.

The game Saturday was by far the best article of fraternity baseball seen on the local field this season. The fielding was exceptionally good, and the men showed themselves to be good base runners. One of the prettiest plays of the game was Menefee's throw from deep center field to the home plate. McGeachin made a phenomenal catch on third base. The final score of 2-3 gives a very good idea of what the game was.

Immediately following the Phi Gam and Kappa Sig game the Phi Psi and Alpha Theta Chis lined up for a game. This game, with the exception of the first half of the fourth, proved quite as interesting as the other. In this half the Phi Psi cinched the game by running in seven tallies before they were put down. The Alpha Theta rallied in the fifth and shut them out, but at the bat they were unable to overcome the lead and the game ended by a score of 9-4. This made three games played by the Phi Psi and three won, while the Alpha Theta Chis have won two and lost one.

A big fight was pulled off yesterday. The tall-enders working hard for last place. Beta Theta Pi skinned up the Sig Alphas to the tune of 7 to 6. The batteries were Bell and Murphy and Meyer and Schmidt, respectively. Considering the usual records, the two teams played well. Both pitchers were hit freely, and the game depended largely upon who was last to bat. At the beginning of the last half of the seventh, Sig Alpha had six runs to the Beta's five, but Bell and Raber both crossed the plate and in doing so won the game.
