**Academy Notes.**

The first Botany excursion was taken last Tuesday morning. The students tramped over the well-known hills of North Fourteenth street and found quite a number of flowers and specimens.

The last number of the Academy News for this year has been mailed and the editors are heaving sighs of relief.

Some of the students in Physics have already completed the semester's laboratory work.

Miss Frankish and Miss McGahey spent Sunday at Malcolm as the guest of Miss Tremain. They report a fine time and as this is the second visit there, they hope it may become an annual affair.

The "Sneak Day" picnic is still lingering in the minds of some of the students.

The closing reception is to be held at the home of Professor and Mrs. Hodgman on Saturday, May 26. An unusually good time is promised and it is hoped that every Academy student and teacher will be there.
