There is in this state a little town
Which is world-wide with its renown,
And if you happen to pass that way,
Just drop right in at Sam's Cafe.
We have the goods and serve them right:
We remain open all the night;
And if you ask, "Where do you stay?"
You always get the answer, "At Sam's Cafe."
On Sundays we have a special line
Of good roast turkey and many things fine,
And when you come, and you feel so gay
Because you have been eating at Sam's Cafe.
Our meals they always begin on time;
We don't believe in being behind;
And now I think that I shall say,
When are you coming to Sam's Cafe?
