

# "The STUDENT'S Store"

Our student patronage has grown to such an extent from year to year that we have become thoroughly posted as to their wants, likes and dislikes and always take them into consideration when buying new stock. We are in better position this year than every before to supply you with everything you need in Clothing. All the new styles in Young Men's Suits, Overcoats, Top Coats, Cravenettes, Dunlap and Stetson Hats, and the latest in neckwear are here.

The only trouble you'll have in pleasing yourself will be in making a choice where the variety is so great.

Come in and see the new things.
