# UNIVERSITY STUDENT KILLED.

**Herbert Burke Murdered in Omaha—  
No Trace of Assassin.**

Miss Marguerite Burke was called  
to Omaha Monday by the sudden death  
of her brother, Herbert. Mr. Burke  
was found dead Monday morning at  
the Florence waterworks station. His  
appearance showed that he had been  
the victim of foul play, but no trace  
of the murderer, nor clue of any kind,  
has yet been found by the Omaha po-  
lice. No cause has as yet been as-  
signed for the atrocious deed, as Mr.  
Burke's watch, money and the other  
valuables on his person were unmo-  
lested.

Herbert Burke was a University  
student, having spent a year at the  
Agricultural College.

He spent the summer in the com-  
mission office of his father and uncle  
in South Omaha, and had all arrange-  
ments made to re-enter the University  
at the coming fall registration. He  
was twenty years of age, a bright and  
promising young man, well liked by  
all who knew him, and no one knows  
that he ever had an enemy.

He is survived only by his sister  
Marguerite and his mother. Their loss  
is made the harder to bear because of  
the death of his father also, less than  
a month ago.

# Engineering Society.

In the election of officers for the  
coming year, the Engineering Society,  
which meets tonight at 7:30 p. m. in  
M 211, hopes to find available men  
who will use their influence and the  
weight of their position in reviving  
the custom of bringing several promi-  
nent lecturers to the University during  
the school year. Before last year  
this was done successfully and engi-  
neering students were greatly inspired  
by the addresses that were delivered,  
but last year for some reason, no ef-  
fort was made and unless prompt ac-  
tion is taken to mend matters it is  
feared that the custom may be aban-  
doned altogether.

# Band Informal.

The first Band Informal of the sea-  
son will be given on Saturday, Octo-  
ber 27, in Memorial Hall. Last year  
these dances were exceedingly well  
attended, which attests their popular-  
ity. It is the intention of those in  
charge to give an informal every two  
weeks after the date above. All the  
proceeds of the dances are used to  
defray the expense of purchasing  
music for the Cadet Band.

# Glee Club Tryout.

The Glee Club held its first tryout  
Monday night in Memorial Hall, and  
the director reports that a very good  
line of tenor men presented them-  
selves. Still more are wanted, how-  
ever, and all men who think they can  
sing either first or second tenor should  
get their applications in at once. Bari-  
tones and basses will be tried out to-  
night in Memorial Hall at 7:30.

# University News Letter.

Registrar Clark is arranging to send  
letters of University news to about 500  
newspaper editors thruout the state.  
These letters, which will be issued  
weekly, will supply the editors of the  
state with accurate and interesting  
information concerning the state's big  
school. Mr. Paul Ewing will have  
charge of the collection of news.

# Injured Player Recovering.

"Buck" Beltzer, who was seriously  
injured during a practise game last  
week, is rapidly recovering and will  
probably be able to don the moleskin  
again the latter part of the week.
