THE AMES GAME.

(Continued from page 1.)

work in the Drake game, he evidently believes that there is much yet to be gained, and has ordered secret practise at the State Farm for the rest of the week. Several new men have joined the squad, some of them old high school stars, and a lively interest is being taken in them. On the whole, things are picking up, and with "Bill" Johnson in the game the rooters will look for "things doing." The cripples are rapidly rounding into shape and we hope to be able to present our strongest team to Ames next Saturday. Matters, Cook, Mason and Schmidt are all out at practise again in spite of a few twinges of pain, and Howard, the sub, is getting his leg into condition rapidly.

Debates in Rhetoric 15.

The first four debates in Rhetoric 15 will be held according to the schedule given below. The debates, which take place from 2 to 3 o'clock on Wednesday in U. 106, and which are followed from 3 to 4 o'clock by criticism, are open to the public:

October 24—Question: That the South Carolina dispensary system should be introduced into Nebraska. Affirmative: Fay M. Hartley, '09; W. R. King, '08. Negative: H. L. Swan, '08; T. H. Matters, Jr., '08.

October 31—Question: Whether the direct primary system should be introduced into Nebraska generally. Affirmative: A. H. Miller, '08; F. C. Bullta, '08. Negative: H. M. Scott, '08; O. S. Spellman, Law '08.

November 7—Question: Whether the government should own and operate the railroad trunk lines. Affirmative: G. L. Fenlon, '08; E. K. Wiltse, '07. Negative: M. A. Mills, Jr., '08; W. C. Ramsey, '08.

November 14—Question: Whether labor unions should be compelled to incorporate. Affirmative: D. L. Russell, '09; R. E. Waldo, '08. Negative: D. D. Drain, '08; H. S. Stephens, '08.

Engineering Notes.

"Pat" Day, C. E. '06, was a campus visitor this week. He is at present engaged as an assistant engineer for the Tri-State Land Company.

The department of Civil Engineering has just ordered several new instruments, including three transits and a new level. It is expected that a new set of lockers will soon be ordered in which to store the surveying implements, as the present lockers are overcrowded.

E. B. Debler, who has been an inspector of concrete with the Rock Island railroad, is back in school, registered in the C. E. group.

A meeting of the committee on accredited schools in Nebraska held a meeting yesterday afternoon in Professor Hodgman's office to discuss the limited faculty inspection of high schools in the state. Professor Hodgman starts Monday on his first tour of inspection for the year. It is that the state institute for the blind at Nebraska City may soon be accredited to the University.

At a meeting held yesterday afternoon at the University Farm, representatives of agricultural societies thruout the state arranged for the date and program of a large meeting to be held later in the year in Lincoln.

The mid-week devotional meeting of the Y. M. C. A. will be led by Mr. A. E. Wolf, Wednesday evening, 7:00 to 7:30 o'clock.

The Lester Piano Co., Philadelphia, Pa.:

Gentlemen—After an experience of more than a quarter of a century with various makes of pianos, including nearly all those made by Philadelphia firms, I have concluded that the Lester piano is the most satisfactory instrument I have used in my school. I find after years of continuous use that the tone retains its original quality and sweetness, the action is unimpaired and the durability, as evidenced by the capacity of the piano to stay in tune, is marvelous. I have decided, therefore, to place with you my order for twenty uprights and two grands, for delivery by September 5th.
