## THE DOANE GAME

### CRETE PLAYERS OUTWEIGH THE VARSITY TEAM.

Visitors Hope to Score. Probable Line-Up. Schmidt at End.

The Doane team will arrive today at 1:25 p. m. over the Burlington. They will go direct to the gym. to dress, play football at 3:30 and leave for home at 6 o'clock. Evidently they intend to stay in Lincoln no longer than is absolutely necessary.

While nothing definite can be learned of the Doane team it is probable that they will outweigh us in spite of the fact that they have but few of their old players back this fall. The team, however, is highly elated over the showing made by Ames in last Saturday's game, and come in the hope of doing something themselves.

The following will be the line-up in this afternoon's game:

<b>Doane.</b>	
Left end .....	Bates
Left tackle .....	Smith
Left guard .....	Spencer
Center .....	Taylor
Right guard .....	Bronson
Right tackle .....	Sloniger
Right end .....	Hooper
Quarter back .....	Griffith
Left half .....	Day (capt.)
Right half .....	Barber
Full back .....	Medlar
<b>Nebraska.</b>	
Left end .....	Johnson
Left tackle .....	Matters
Left guard .....	Chaloupka
Center .....	Wilkie
Right guard .....	Harvey
Right tackle .....	Rice
Right end .....	Schmidt
Quarter back .....	Cooke
Left half .....	Weller
Right half .....	Little
Full back .....	Mason
Umpires: Stevens and Pinnero.	
Referee: Cornell.	
Head linesman: Mains of Crete.	

As will be noticed, our line-up will be almost the same that was presented to Ames last Saturday. Schmidt goes to right end and Weller fills the vacancy in the back-field. This should strengthen both the line and the back field, and we may look for some brilliant gains from both the ends and some strong plays from the backs.

The game is scheduled to begin at 3:30 p. m.

#### Other Games.

Two games of football that will interest Nebraskans will be played today between other colleges. Minnesota will play Ames at Minneapolis and a hard game is expected by the Gophers. From the outcome of this game Nebraska's chances can be judged to a great extent, and returns will be eagerly watched for.

Kansas plays Colorado at Lawrence, and from the result of this game we should get a line on the strength of Kansas. Up to date, Kansas has had no foe worthy of her mettle and very little can be learned of her merits.

The library board met yesterday evening at 5 o'clock to transact important business.

## REPORT FROM DANCE.

### Pershing Rifles Add Substantial Sum to Equipment Fund.

A report from the hop committee of the Pershing Rifles at their meeting on Thursday evening shows a balance remaining, after paying all the expenses of the dance, of \$48.55. The report which was given in detail shows eighty-four paid admissions with a total of \$105.00 taken in at the door. Expenses aggregated \$56.45, and the balance is indicated above.

This balance is to be used by the Rifles for the purchase of new equipment which is expected to be in the nature of khaki uniforms and leggins. If this desire of the company is attained it will mean a marked advance over the companies of previous years and will give the Rifles a vigorous boost up the pathway of their endeavor.

One of the chief reasons for the meeting of Thursday was the appointment of a committee to draft a constitution for the company that will provide a means of dishonorably discharging members who shall be absent a certain number of consecutive times. F. A. Anderson, R. E. Guthrie and Byron E. Yoder were selected.

The first regular medal drill-down of the year was held in the Armory on Thursday evening. R. E. Guthrie was the winner. To win the medal permanently it must be won successively three times in these drill-downs, a feat that has been accomplished but once in the history of the Rifles.

The company is rounding to in excellent shape, but is seriously in need of more members. At least twenty more applications are wanted at once and all men who have had a semester's drill are eligible. For information in regard to the purpose of the company and what it hopes to do this year all applicants should go to one of the officers. They are as follows: Captain, F. A. Anderson; first lieutenant, C. D. Slaughter; second lieutenant, D. C. Wilson.

#### Games Today.

Nebraska vs. Doane at Lincoln.  
Kansas vs. Colorado at Lawrence.  
Chicago vs. Indiana at Chicago.  
Minnesota vs. Ames at Minneapolis.

#### Faculty Ladies Serve Tea.

The faculty ladies served tea and light refreshments in Memorial Hall yesterday afternoon. The attendance was large.

Miss Mildren F. Clark, '04, and scholar in German, '06, is teaching in the Townsend, Montana, High School this year.

## DEAN RINGER TO SPEAK.

### Well-Known Graduate to Address University Men.

J. Dean Ringer, Law '05, one of the best known and most thoroly all-round men Nebraska has ever graduated, will address all University men on "College Patriotism" in Memorial Hall Sunday afternoon at 3:30 o'clock. No man could be better fitted than Mr. Ringer to talk on this topic. Mr. Ringer has represented Nebraska in almost every line of student endeavor, having played on the football team, debated on the 'Varsity squad, led the Y. M. C. A. in various official capacities, and been a good fellow always.

Every man in the University should welcome the chance to give Mr. Ringer the cordial welcome he deserves.

CAPTAIN DAY OF DOANE.

### "BOB" TAYLOR ELIGIBLE.

#### Big Guard Will Play Rest of the Season.

"Bob" Taylor, the big guard, has finally been declared eligible to play on the 'Varsity for the remainder of the season. Taylor's work has been arranged to the complete satisfaction of the authorities and he will re-enter the game with a clean credit card.

It is not likely Taylor's presence in the game tomorrow will be necessary, but in the big games with Kansas, Minnesota and Chicago, his work will be of immeasurable assistance to the 'Varsity. Taylor weighs 205 pounds and is one of the hardest line hitters Nebraska ever had. Athletic circles are jubilant over the news of his eligibility.

## PROPOSE CHANGE

### INTER-CLASS REPRESENTATIVES WANT NEW SYSTEM.

Freshmen Declared Ineligible to Contest for Inter-Class Championship.

The representatives to the Inter-Class Athletic Board from the upper classes are seriously considering whether or not the Freshmen are justly entitled to take part in the championship series now about to commence.

Precedent here favors the Freshmen but the upper-classmen declare that the argument is strong against them. Not only is the custom in other colleges of any size against the participation of the first year team but the situation seems to demand it.

Under the present constitution of the Inter-Class Board only men who have made the first team are debarred from inter-class contests. Obviously this gives the Freshmen the liberty of selecting their team from among the ranks of the Scrubs, most of whom are naturally first year students. A team is assured that has had almost to a man the training of the first team coaches. This is a situation that none of the other teams can avail themselves of, save to a very limited extent, and it is claimed that the Freshmen have therefore an undue advantage.

Last year's inter-class constitution has been lost, and a new one is to be drawn up at a meeting of the Board which has been called by T. A. Kiesselbach, the Senior athletic chairman, for Tuesday evening, October 30, at 8 p. m., in U. 111. Representatives to this board are appointed by the presidents of the various classes and three to a class are allowed.

No contest is expected to arise this year over the participation of the Law students in the inter-class games. The precedent of last year is expected to settle this matter without further controversy. However, this is a matter that the Board will decide once for all when it draws up the new constitution.

Dates for the inter-class games will not be settled until after the action of the inter-class Board, but it is hoped and expected that a rapid schedule may be arranged. The use of funds taken in as gate receipts will be decided by the constitution. Heretofore sweaters have been purchased for the winning team.

#### FIRST BAND INFORMAL.

Over One Hundred Couples Present. Pleasant Evening Spent.

The first band informal of the year, held in Memorial Hall last night, was a success in every respect. The attendance was surprisingly large, the orchestra good and the floor in excellent shape.

That these informals are rapidly becoming the most popular of University functions there can be no doubt, for at no other dances do the students seem to have as much real pleasure. They are in every sense informal.
