## GOPHERS STRONG

COACH STUART TELLS OF LAST SATURDAY'S GAME.

Nebraska's Team Improving—Cook  
Nebraska's Team Improving—Cooke  
Not Badly Hurt—Benedict  
Laid-Up.

Last Saturday Coach Stuart was in the "land of the Gophers" and witnessed the struggle between Minnesota and Ames. He characterizes our opponents of next Saturday as a "strong, heavy team, with a powerful offense." Minnesota has a powerful team and will outweigh us decidedly, as they did the farmers from Iowa, but, according to Stuart, the difference between the scores of our game with Ames and Ames' game with Minnesota should not be taken as a test of the relative strength of the two teams. Ames played in hard luck, lacking two of their best men in the line up. Their captain and quarterback, to whose splendid generalship and punting was due their victory over the Cornhuskers, was out of the game, and his absence was keenly felt from the very first.

Minnesota played the old heavy football that has always been her strongest feature and resorted to few tricks or open plays. The only feature that smacked of the new rules was a quarterback kick that was successfully tried several times. Other than this they confined themselves to straight line plunges, relying on their superior weight and brawn to shatter their opponent's line. If Minnesota has any trick plays and intricate forward passes to spring on us next Saturday, she did not show her hand against Ames.

Secret practice was held Monday night and the team was coached with the special end in view of meeting Minnesota's heavy line backs. The team is showing up well and improving wonderfully on the offense, for it plows thru the scrubs in a way that it has not been able to do heretofore.

"Pip" Cooke had a piece of hard luck come to him in the shape of a twisted ankle, but will be out to practise today in spite of a few twinges of pain. Miller Benedict was laid out by a powerful tackle by "Bill" Johnson and will not appear again for several days. A flying tackle just above the knees wrenched one of his legs rather badly and the doctor that "Bennie" had better go to bed for a little while and rest that same leg. Nothing serious is looked for, however, and "Bennie" will be out on the field again in a few days.

Manager Eager has secured a rate of \$12.50 to Minneapolis and return, and a good crowd is expected to go. One car will leave and return on one of the regular trains.

### Medical Society to Meet.

Dr. H. Winnett Orr will address the regular meeting of the University Medical Society next Saturday evening on the topic "The Physician of 1925." All who heard Dr. Orr's address on "The Physician of 1812," at the last meeting of the society, will appreciate what a treat is in store.

Remember the Date--November 17

## THE ANNUAL COUNTY FAIR

### Plan to Come. Event of the Year

#### SEND-OFF PLANNED.

To Be Celebration at Train When the Team Leaves for Minnesota.

The rooting leaders and the Innocents are working up a typical Nebraska send-off for the team when it leaves for Minnesota on Thursday afternoon of this week. Drill is to be dismissed early and the band will lead a procession from the campus to the Burlington station, where music and speeches by the coaches, members of the faculty, and the team, will keep things moving till the train pulls out.

The team leaves at six o'clock on the regular Burlington train and it is confidently expected that there will be a tremendous turn-out to inspire them for what may be the hardest game of the season. Altho a rate of \$12.50 for the round trip has been offered for those who may wish to see next Saturday's game, it cannot be expected that Nebraska will have adequate support from the grandstand on Minnesota's field and so Thursday evening will be the last chance for the rooters to do their effective work. The team should be given inspiration there sufficient to carry them triumphantly until they return.

#### Dr. Lees Returns.

Dr. Jas. T. Lees has returned from New York where he met with the National Football Rules Committee of which he is a member. The business of the meeting was the interpretation of doubtful or ambiguous rules and was accomplished most expeditiously.

While in New York, Dr. Lees met several former University students and spent some time with them. They were J. D. Clark, a former editor of the Nebraskan; Ellery Davis, and Louis Hewitt, '04; all of whom are attending Columbia University.

#### Republicans Attention.

All University Republicans are urged to meet this evening in front of Memorial Hall to escort Hon. George L. Sheldon to the Auditorium. The Band will be present.

The Freshmen will meet Thursday morning at 11 o'clock in Memorial Hall.

#### GIRLS' GLEE CLUB TRYOUTS.

Large Number of Girls Appear—Good Club Assured.

At the tryouts for the Girls' Glee Club, held by Mrs. Raymond in Memorial Hall last evening, an unexpectedly large number of candidates appeared. The quality of the voices tested gives ample assurance that the club this year will more than equal that of last winter, and it is expected that rehearsals will begin early in November.

Rehearsals this year will not be prolonged past the middle of the second semester. The chief fault that was found by the members of the club last year was the way the work dragged by the end of the second semester. By the new plan it is hoped to keep the interest aroused and continue practise to the vigorous months of the year. One hour University credit has been promised for the total of work put in.

#### Temple Progressing.

The new University Temple is progressing rapidly. The second story is nearly up. Yesterday the pillars for the two porticos on the north and west were being brought up from the yards. They are of sandstone, twenty-two feet long, two feet ten inches in width and weighing approximately ten tons. There will be two of these on each side of the main doors and they will add materially to the appearance of the building.

#### Another Fizzle.

The second meeting of the Associated Barbs, which was called for yesterday morning at Convocation hour, proved to be as much of a failure as its predecessor. There was not a quorum present and election of officers will apparently have to go by default. Interest in the organization has always been spasmodic and this is evidently a distinctly "off" time of the year.

The American History Department has just installed a new electric lantern that does away with the time wasted in preparing the older gas lantern for action, and affords a decidedly more brilliant light.

THE DAILY NEBRASKAN EXCHANGES WITH  
EVERY IMPORTANT COLLEGE PAPER. ALL  
STUDENTS ARE INVITED TO USE OUR EX-  
CHANGE TABLE. OUR OFFICE IS OPEN ALL  
DAY AND YOU ARE WELCOME.

## '08 COMMITTEES

JUNIORS PLAN BIG MID-SEMESTER PARTY.

Will Wear Class Hats—Finance Committee Appointed—To Audit Accounts.

At the meeting of the Junior class yesterday morning President Hughes announced the following committees in addition to those previously published in The Nebraskan:

#### Hat Committee.

Chairman—Joseph Swenson.

Committee:  
Florence Tillotson.  
W. T. Young.  
Pearl Murphy.  
Laura Rhoades.

#### Party Committee.

Chairman—E. A. Froyd.  
Master of Ceremonies—G. L. Sullivan.

#### Committee:

J. A. Smith.  
E. T. Phelps.  
Esther Wood.  
Jessie Cook.  
Wm. Kiewit.  
Cecilia Foster.  
Ethel Stokes.  
Edna Tower.  
Marian O'Connell.  
J. W. Lundin.  
Wm. March.

#### Finance Committee.

Chairman—O. J. Shaw.

Committee:  
R. N. Allen.  
Leola Cox.  
T. F. Mueller.  
E. S. Carpenter.

The party planned, it is said, will be the biggest thing in the way of a class party ever attempted and something unique in the entertainment line is promised.

The finance committee will supervise and audit the accounts of all committees to insure businesslike conduct of class officers.

#### CROSS COUNTRY OUTLOOK.

Men Training In Rain or Shine: Good Team Assured.

Cross country work has gone on all this week in spite of the mud and rain. In fact cross country work never stops for any thing and one of the most important, if not the most essential feature of training in this branch of athletics, is regularity in work. If a man lays off two or three days he loses practically a week's training, and if even missing one of the daily runs seriously interferes with the progress that should be made. All candidates for the team are urged to let nothing interfere with their daily work, and especially not to stop for bad weather.

Prospects for a fast team are very bright. Nebraska will meet the best distance material in the west in the Thanksgiving meet, and a better team than we have ever had must be developed if we hope to win this year.

#### Fraternities Pledge Upperclassmen.

The following Upperclassmen have been pledged to Greek letter societies since the opening of the semester: Beta Theta Pi; Louis Hart, Leon Bailey; Kappa Sigma, Guy Montgomery; Phi Gamma Delta, Tom Buell, C. C. McWilliams.

Chapin Bros., Florists, 127 So. 12th.
