RAILROADS OFFER \$6 RATE FOR CHICAGO EXCURSION.

300 Tickets Must Be Sold Before Friday of This Week to Insure the Rate.

Manager Eager announces that the railroads have offered an excursion rate to Chicago for the Chicago-Nebraska football game on November 24 of \$6.00 for the round trip, providing that 300 tickets have been sold by Friday evening of this week.

Acting on this advice, Manager Eager has placed on sale at Harry Porter's store on O street several hundred negotiable receipts for \$6.00, and is doing his utmost to sell enough of them before Friday evening to guarantee the excursion. If the required 300 receipts are sold they will be at once exchanged for excursion tickets and a special train will be arranged for that will leave Lincoln at some time Friday afternoon, November 23, and will reach Chicago early the following morning. A return train will leave Chicago on Sunday afternoon, November 25, and will reach Lincoln on Monday morning in time to make the regular classes of the day.

This arrangement will not only give those who go on the excursion a chance to see the best football game of their lives, but will also give sufficient time in Chicago to take in all that is of interest to the casual visitor. Chicago is rich in attractions and this special rate is the chance of many years. Chicago University will doubtless arrange to receive in fitting fashion any delegation that Nebraska may send and all who go can feel assured beforehand of a royal time.

It is not known yet where the team will make its headquarters for the time it is in Chicago, but whatever hotel is selected will doubtless be the headquarters for the excursion crowd as well. The hotel that is chosen will be announced as soon as possible.

It is probable that if the excursion is guaranteed the entire band will be sent to Chicago also. The Athletic Board has agreed to appropriate \$100 for the purpose and it is not thought that the remainder of the amount necessary will be difficult to raise. The presence of the band would have a strong influence in making our team put up the best game of which they are capable.

The \$6.00 rate applies only to chair cars, and all who wish to ride in a Pullman must pay a fare of \$8.00 besides the regular sleeping car rate between Omaha and Chicago. This fact is not expected in any way to influence the size and enthusiasm of the excursion, however, and it is hoped that at least 1,000 loyal Nebraskans will invade Chicago a week from next Saturday.

R. F. Fowler, who was a member of the class of 1908 last year, played left tackle on West Point's football team in the game against Princeton Saturday.

FOOTBALL MASS MEETING.

To Be Held Friday at Convocation Hour—Large Crowd Expected.

On Friday morning of this week, at the Convocation period, will be held the last football mass meeting of the year. The purpose of the meeting is to stir up to its limit the enthusiasm of the student body and to ensure a warm welcome for the Jayhawkers when they arrive.

No program has as yet been announced for the rally, but the Innocents and the rooting leaders are hard at work securing the very best talent in the speech-making line that is obtainable among students and faculty and it is a matter of course that the band will be on hand as big as life and twice as natural.

The rooting leaders promise some new yells and some hard practise on the old ones and they want enough rooters out to raise the roof of Memorial Hall, a feat that has not yet been quite accomplished, altho on several occasions the moorings have been severely tested. The program for the auspicious occasion will be published at the earliest possible date.

Miss Leta Adams has returned home from Wahoo, where she has been teaching. Her school was closed on account of an epidemic of diphtheria.

Some crank has unearthed evidence that goes to show that the Chinese originated football. He has a "que" that Japan does the playing, however.

JUNIOR PROM DATE SET.

Will Be Given at Lincoln Hotel on February 8—Tickets \$2.50.

The Junior Prom will be given at the Lincoln Hotel on the evening of Friday, February 8, and tickets will cost \$2.50. This is the decision of the Junior Prom committee, which met yesterday morning at the Convocation period.

In reaching this decision the Juniors are following the precedent established by Junior classes from time immemorial, and as usual, this dance will share with the Senior Prom the distinction of being one of the two social functions of the year. The dining room of the Lincoln Hotel, in which the dance will be held, has only recently been entirely renovated and redecorated, and is by all odds the best place for a large formal dance that there is in the city. The comfortable parlors and large promenade in connection with the hall make it especially desirable and renders clever decoration easy.

The dance comes the first Friday after the final examinations of the first semester and a large crowd is expected to celebrate the successful passing of the half way station in the year's work by attending the dance.

Following the example of the Nebraska students, the Sophomores at the University of Illinois have agreed to do away with the hazing of Freshmen.

KANSAS IS COMING

BIG CROWD OF JAYHAWKERS TO ARRIVE SATURDAY.

Kansas Team in Good Condition—Has Rallied From Defeat by St. Louis.

At one o'clock Saturday the Kansas delegation will arrive in Lincoln in full force, determined to show Nebraskans what Kansas can do. A crowd numbering several hundred will take advantage of the three dollar rate that has been obtained, and all are coming with the best of good feeling.

The excursion train will leave Lincoln at 11 p. m. from the Union Pacific depot, much too early for many of the fraternity men who will entertain for their "frat brothers" from Kansas. Smokers will be given at most of the fraternity houses on the evening of November 17th and a cordial spirit will no doubt spring up between Kansas and Nebraska that will show itself in the relations between the two schools hereafter.

The Kansas team will arrive on Friday, in order to rest up thoroly before the struggle, and will not leave until Sunday. They come in the expectation of holding us down to a low score, if not of winning the game. They are in the best of condition, and eager for a good hard rap at Nebraska. Seven veterans from the nucleus of the team, around which a number of star freshmen players of last year have been grouped, until one of the strongest teams that has ever represented Kansas University on the football field will play here Saturday.

Manager Eager has had extra standing room for the game on Saturday arranged for in the past few days. Platforms have been erected at either end of the bleachers that will accommodate between five hundred and a thousand persons, and they are expected to be crowded to their utmost capacity.

The Kansas line-up will probably be as follows:

| | Weight. |
|---|---------|
| Rouse—L. E. | 175 |
| Donald, (Capt.)—L. T. | 210 |
| Putnam—L. G. | 195 |
| Milton—C. | 155 |
| Reed—R. G. | 220 |
| Brunner—R. T. | 180 |
| White—R. E. | 165 |
| Miller—L. H. | 145 |
| Porter—R. H. | 175 |
| Angney—Q. B. | 144 |
| Ise—F. B. | 162 |
| Subs—Pleasant, 168; Coulter, 155; Crowell, 169. | |

Song Contest Closed.

The football song contest for the Kansas game closed yesterday evening at the specified time. An unexpectedly large number of verses were submitted and the band is now hard at work in selecting the winner. The winning verses, together with the name of the author, will be published in the Nebraskan for either Thursday or Friday. The song will be tried out at the rally on Friday morning.
