#### THE KANSAS TEAM.

Personal Write-Ups From Data Furnished by the Kansan.

The following write-ups of the members of the Kansas football team for 1906 are made possible by the courtesy of The Kansan in furnishing such data as were available:

Rouse, who plays left-end in today's contest, originally came from Beloit. He received his preliminary football training at the Manhattan Agricultural College, and this is his third year with the K. U. He is twenty years old and weighs 175 pounds.

Donald, who rejoices in the given name of C. Prentiss and is captain of the Jayhawker aggregation, plays the. position of left tackle. He is twentyfive years old and is a general favorite at Kansas. To quote The Kansan, "The big left tackle is one of the best ground gainers Kansas ever had, and this quality won for him the captaincy of the 1906 team. 'Don' weighs 210, and can not be stopped on a line buck. He first came into prominence in the Nebraska game of '03. The '05 captain is a Senior engineer and is playing his fourth year. In the thirty-seven games that Donald has taken part in, not a second of time has been taken out for him. He is a universal favorite and has all the qualities that make not only a first-class football player but a gentleman as well."

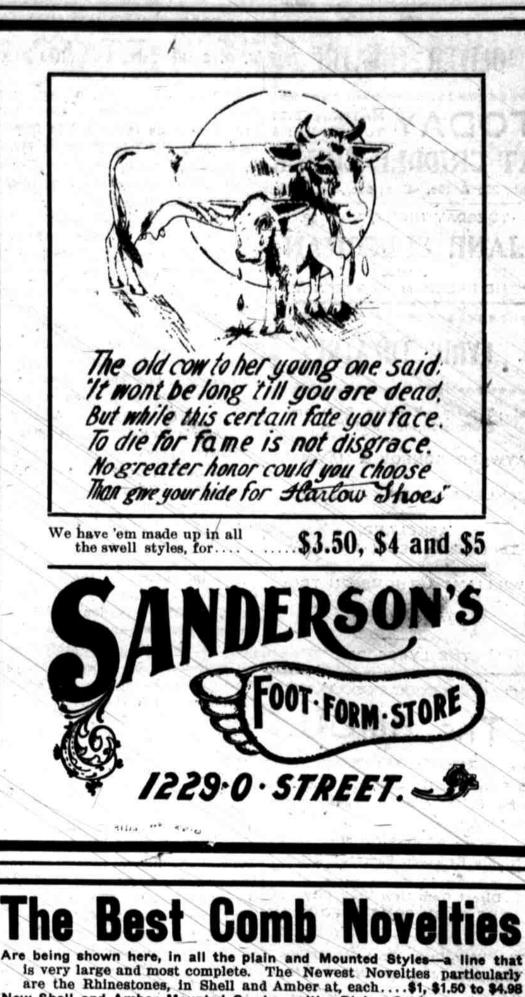

Putnam, the left guard for Kansas, is a Senior, but is playing his first year of 'Varsity football. He has been a prominent member of Kansas's track team in former years, his event being the hammer throw. He is nineteen years old and weighs 195 pounds.

Milton, who is one of the lightest centers on any important football team in the country, weighs only 155 pounds. He made his place on the team by his extraordinary aggressiveness and has outplayed most of his much heavier opponents. He is twenty years old, and a Junior Academic.

Reed, who holds down the position of right guard, is the heaviest man on the Kansas team. He weighs 220 pounds and is playing his second year of 'Varsity football. He is a Kansas City man, twenty-two years old, and is a Junior Law.

Brunner, one of the veterans of the team, plays at right tackle and is one of the strongest men among the Jayhawkers. He weighs 180 pounds, is twenty-three years old, and is playing his fourth year on the team.

White, who is right end in the game today, is playing his second year with He weighs 165 the Kansas team. pounds and is twenty-three years old. Miller, the Jayhawker left half back, is an all around athlete. He has been a member of the basketball and track team at his Alma Mater, and is a sprinter of rare ability. He is a member of Beta Theta Pi fraternity, is a Junior Academic and a big man in ability if small in stature. He weighs only 145 pounds. Forter, who plays at right half, is a new man on the team, altho a Senior in the engineering department of the University. He is twenty years old, weighs 171 pounds and is depended upon to do the punting for the Kansas team. He is also a member of Beta Theta Pi fraternity. Ise, the Kansas fullback, is playing his third year with the 'Varsity and is counted a heavy line bucker. He is twenty-five years old, weighs 162 pounds, and is a Junior Law. Angney, the smallest man on the Jayhawker team, weighs 144 pounds and plays at the quarterback position. He is a veteran and is especially valuable in running back punts. Among the available substitutes are Pleasant, for the position of end, a Sophomore nineteen years old and weighing 168 pounds; Coulter, for the position of quarterback, a Sophomore twenty years old, weighing 155 pounds and a member of Phi Gamma Delta fraternity: Crowell, for the po-sition of guard, a Middle Law man, twenty years old, and weighing 168 pounds; Cohn, for the positions of end and tackle, a Junior Law, twenty years old and weighing 170 pounds; and Wallace, a Middle Law man, twenty-one years old and weighing 160 pounds. It will be remembered that Wallace was the 100-yard man who was defeated by Nebraska's Wallace at the track meet held here in Lincoln last spring.
