JAYHAWKERS WIN

KANSAS DEFEATS NEBRASKA BY VERY-CLOSE MARGIN.

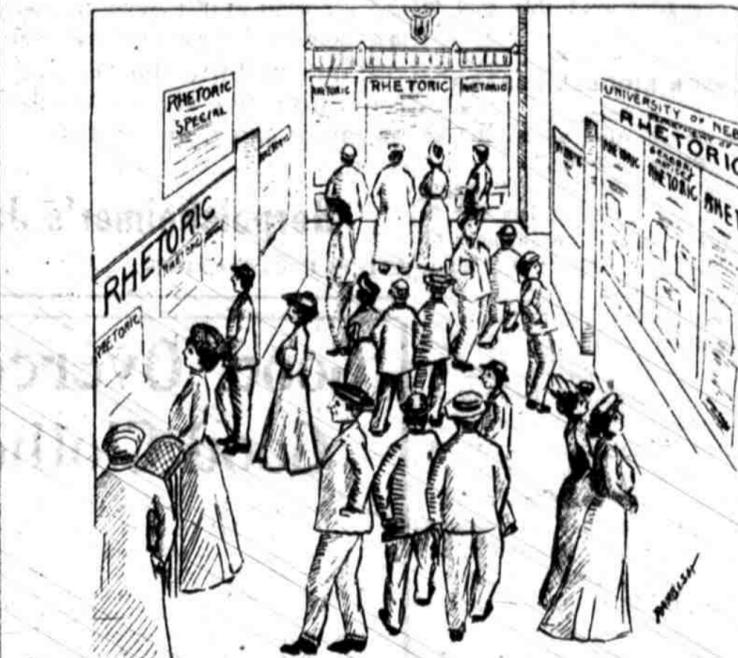

First Kansas Victory Since 1899—
Clean Game Thruout—Good
Feeling Restored.

Kansas 8, Nebraska 6.
Saturday, for the first time since 1899, Nebraska lost to Kansas. It was the finest game of the season and the result was in doubt until practically the last minute of play. The Jayhawkers played with fierce determination to win and put up perhaps the best exhibition of football they have ever given on Nebraska field. On the other hand, the Cornhuskers played far below their normal form and in the first few minutes of the game made a disappointingly poor showing. They soon took a brace however, but not until the mischief had been done, Kansas having made her two field goals in the first fifteen minutes' play. A few minutes later Nebraska showed a streak of winning football, scoring a touchdown from a long run by Johnson and three line bucks. After this however, neither team had much advantage, Kansas punting frequently, and playing a safe game. Towards the last of the game Nebraska had two opportunities to score but both came to nothing. In the first case, Nebraska secured the ball on Kansas' 15-yard line as the result of a punt blocked by one of Kansas' own men, but lost it immediately on an attempted forward pass. Again near the end of the game Nebraska carried the ball to Kansas' 30-yard line and there tried for a field goal from drop kick. This was blocked and Nebraska's last chance to win was gone.

Nebraska's reversal of form was largely due to the accident with which Cooke met at the very first of the game. The plucky little quarterback was knocked completely out of his wits by a fine tackle of a Kansas man who had had only "Pip" to pass to reach our goal line. For nearly all the first half he hardly knew one signal from another and at no time during the game was he in condition to run a team. This left the team like an army without a general and had much to do with the demoralization and uncertainty of its offensive work. Another thing that wrought much havoc with Nebraska's hopes was the unerring instinct with which Kansas sized up and frustrated Nebraska's trick plays. The unflinching accuracy with which this was done suggested more than casual knowledge on their part of our repertoire of plays.

The game was remarkably clean thruout and the feeling between the teams was all that could be desired. The work of the officials was of high order and while their infliction of penalties was severe, it was manifestly impartial and nothing more satisfactory could have been asked.

From the statistics of the game the two teams appear to have been very evenly matched. Kansas rushed the ball 178 yards to Nebraska's 176, while on punts Nebraska made 510 yards to Kansas' 495. On returning punts Nebraska has 135 yards to her credit to 35 for Kansas. Nebraska lost 90 yards

WHITHER ARE WE DRIFTING?

on penalties while Kansas suffered only to the extent of 65.

The game in detail follows:

Wallace, the Kansas star halfback, kicked off at 2:45 p. m. and Mason returned to the 20-yard line before being downed. Nebraska, unable to make her 10 yards, punted to Angney on Kansas' 45-yard line. A brilliant run around the end by Wallace netted 40 yards for Kansas before Cooke pulled him down. This brought the ball to our 25-yard line, however, and Wallace made a beautiful place kick for goal. Score, Nebraska 0, Kansas 4.

Again Wallace kicked to Mason, who returned to the 30 yard line before being downed. After a few unimportant plays, Weller punted to Angney on Kansas' 50 yard line, and a trick play thru center gained 25 yards for the visitors. Nebraska regained the ball on her own 15 yard line and punted out of danger, but the Jayhawkers seemed possessed of almost frenzied strength. Brunner plunged thru the center for 10 yards, and a forward pass netted another 10 yards. Nebraska was penalized 15 yards for holding, and a short kick added 20 yards more to the Kansas total. With the ball on Nebraska's 25 yard line, everything was in the enemy's favor and Wallace again booted the oval squarely between the goal posts. Score, Nebraska 0, Kansas 8.

Johnson kicked off for Nebraska to White on the 5 yard line, who returned 15 yards. An exchange of punts left the ball on Kansas' 45 yard line in Nebraska's possession, and things looked better for the Cornhuskers. "Bill" Johnson gained 5 yards around the end and immediately after, on a long side pass from Cooke, carried the ball to Kansas' 15 yard line. By bucking the line with Little and Weller, the ball was carried to the 5-yard line and Craig went over on a straight center buck. Harvey kicked goal and the score was: Nebraska 6, Kansas 8.

The rest of the half consisted of punting from one side of the field to another, neither side having much advantage. The half ended with the ball on Nebraska's 50 yard line in possession of the Jayhawkers.

Second Half.

Johnson kicked off over the goal line. On the kick out by Kansas

INTERCLASS MEETING.

Seniors and Juniors to Finish Discussion of Resolutions.

There will be a combination meeting of the Senior and Junior classes this morning at 11 o'clock in Memorial Hall to finish the discussion of the resolutions condemning Rule 31 of the Regulations Governing Students. These resolutions were introduced at a similar meeting held a week ago last Thursday and received an hour's attention without gaining any definite disposal. Today it is hoped to finish the discussion and either reject or accept the resolutions.

The first meeting for this purpose was largely attended and it is expected that the finish of the argument will see even more interest manifested.

FRESHMAN RECEPTION.

Largely Attended and Very Successful Affair.

The officers of the Freshman class introduced a novel precedent last Friday afternoon with decided success. From five to six the officers held an informal reception to all members of the class in Union Hall. Nearly one hundred and fifty Freshmen were present, the number of co-eds and men being about the same and thru the efforts of the officers those present were made to feel much better acquainted than could otherwise have been the case. The reception was voted by those present an unqualified success and decision was reached to hold another similar reception in the near future.

Dramatic Club Tryouts.

The first of the Dramatic Club tryouts for admittance to the club was held last evening and a large number of candidates appeared. The successful contestants will not be announced until the tryouts are complete.

Chancellor Andrews left for Omaha yesterday and spoke to the Woman's Club on "Simplified Spelling." He returned last evening and spoke to the Lincoln teachers on "Education Through Reading."

Dr. W. C. Webster will speak on "Commerce and the New Farmer" at chapel Wednesday morning.

CHICAGO ALUMNI

PLANNING TO ATTEND THE GAME IN FORCE.

Alumni Organized—To Root for the Scarlet and Cream—Section in Grandstand Reserved.

The University of Nebraska Chicago Club, an organization comprising all former Nebraska students now residing in the big city by the lake, intend to show that their loyalty to old Nebraska has not waned in the lapse of time nor suffered by separation from their Alma Mater. The club has appointed a committee of seven to get all Nebraskans out to the game next Saturday. The committee has issued the following circular letter:

To All Nebraskans:

You know, of course, that the Chicago-Nebraska football game will be played in Chicago at Marshall Field, Saturday, November 24th.

Surely every alumnus of Nebraska, everyone ever connected with our University and their friends, living in Chicago or within striking distance of Chicago, will be present. It is the last game of the season for Chicago—the place on their schedule reserved for the big game. It is a recognition of Nebraska's prowess in football. Coming at the close of the season of the two universities, each with a strong team, coached to play the game as developed by the new rules—the open game—it is sure to be interesting and spectacular.

Then, too, it will afford the opportunity for a gathering together of Nebraska people. A section of seats has been reserved for us, and we will all be together. You may meet friends you have not seen for years. You will be sure to meet many University people.

The prospects are splendid for a big excursion from Lincoln, which will add to the excitement and make it the more interesting for us who were once undergraduates.

Seats may be obtained at Spalding's, 147 Wabash avenue, or by sending your order to R. M. Chitwood, Manager, University of Chicago, Chicago. Apply for seats in the Graduate's Section, Nebraska side. The price is \$1.50.

The game is at 2 p. m. Be present at 1:30.

Bring a megaphone—carry our colors—spread the news.

COMMITTEE.

EXCURSION TO BEATRICE.

Class in Mental Pathology to Visit Beatrice Tomorrow.

Tomorrow morning at 7:25 o'clock Dr. Bolton's class in Mental Pathology and any other students who may be interested, will leave Lincoln from the Union Pacific station for Beatrice, where the day will be spent in a visit at the institute for the feeble minded.

A round trip rate of a fare and a third has been granted by the railroad and tickets will cost \$1.60. It is planned to make the excursion to some extent an outing and it is hoped that there will be a large attendance. The excursion leaves Beatrice for the return trip at 6 p. m.
