## A NOVEL PROGRAM

"HENRY VI" TO BE RENDERED IN MONOLOG.

Walter Bradley Tripp to Give Recital Thursday Evening Under the Auspices of Dramatic Club.

The reading of Shakespeare's "Henry IV" which is to be given by Mr. Walter Bradley Tripp in Memorial Hall on Thursday evening of this week, will furnish a program which will be unique in the list of attractions offered to University audiences this year.

Mr. Tripp, who is at the head of the Emerson School of Oratory of Boston, Massachusetts, is a monologist and is a Shakespearean scholar of distinction. He reads complete plays as written by the greatest of English dramatists, entirely without the aid of costume or scenery, and press reports are enthusiastic in their praise of his efforts.

The recital by Mr. Tripp will be of especial interest to Seniors who are contemplating trying out for parts in the "Taming of the Shrew." The selections which Mr. Tripp will render will afford many valuable suggestions in the effective reading of Shakespearean blank verse, and this is one of the more important features to be considered in the Senior play.

In view of the few Shakespearean plays which will reach Lincoln this year, the Dramatic Club, under whose auspices Mr. Tripp is to appear, feels that it is presenting a program which should prove a treat to all lovers of the classical in literature, as well as to all persons interested in impersonation and dramatic interpretation.

"Henry IV" is one of the four important plays by Shakespeare which does not command a very general reading, and next Thursday's program will be therefore interesting in that the scenes presented will be comparatively new to most of those who are present. The selections from this play recently given by Professor Losey at Convocation, indicate excellently the exceedingly dramatic nature of the drama and its unusual literary merit.

### A JAPANESE SPEAKER.

To Address Y. W. C. A. Noon Meeting on Wednesday Next.

Chika Sakurai, a native missionary worker from Tokio, Japan, will address the Y. W. C. A. noon service on Wednesday of this week in the Association rooms. She is also scheduled to speak before University girls at the regular Thursday afternoon vesper service which will be held from 5 to 6 o'clock in the usual room.

It is understood that the speaker is a woman of large experience in the work of which she is to tell and that she has a delivery that is exceptionally novel and interesting. All University girls are urged to attend both services.

Cards were received at the Nebraskan office announcing the birth of a daughter to Mr. and Mrs. Emory R. Buckner who were both well known students here.

FORMAL.

### CO-EDS COOK WELL.

Domestic Science Makes Good—Over Two Hundred Fed.

Domestic Science proved its right to a prominent place in the University on last Saturday evening when a half dozen of its disciples prepared a feed which more than two hundred hungry University men applauded to the echo.

"Co-educational cookery" was one of the features of the advertising which proved most effective in bringing to the Y.M.C.A. supper, given to University men in the basement of St. Paul's church, more than two hundred of Nebraska's students and faculty. Moreover, it was co-educational cookery and co-educational cooks which furnish a basis for an outburst of enthusiasm that insured the social success of the evening.

The program for the evening consisted of a short social hour preceding the supper, the supper itself, and a number of specially prepared songs and talks following the feed. All were voted unusually pleasant by the men who were present and numerous requests for another function of similar nature before many weeks were heard.

### SOPHOMORE COMMITTEES.

Names of Committees Which Will Report Thursday.

The following sophomore committees have been appointed and will report at the meeting of the class next Thursday morning.

Committee on Union with Freshman Laws: H. C. Robertson, chairman; J. F. Coupe, H. H. Wheeler, Clarence Hughes.

Committee on Automobile Accident: R. L. Harrison, chairman; Vern W. Gettings, Dan L. Russell, E. F. Guldinger.

Committee on Cornhusker Representation: Fay Hartley, chairman; Geo. H. Thomas, Clyde Elliott, James Mohls.

The Engineering Society will hold a smoker at the Phi Gamma Delta house February 2.

### TICKETS ON SALE.

Junior Prom Tickets Ready for Disposition Now.

Tickets for the Junior Promenade went on sale yesterday morning and a very large sale is predicted. Tickets will cost \$2.50 each, up to the evening of February 4, after which time the price will be raised to \$3.00. The object of this new system is to push the advance sale of tickets in order that the Prom committee may have a fairly definite knowledge of the funds to be at its disposal, some days before the dance.

The dance is to be held in the Lincoln Hotel on Friday evening, February 8, and an unusual effort is to be made for the pleasure of those who attend. The Prom is the first formal dance of the year in University circles and comes at a time when such a function is most welcome.

Tickets may be secured from any of the following members of the Prom committee: O. N. Munn, M. F. Wasson, M. A. Mills, F. A. Crites, C. A. Clarke, T. H. Matters, C. F. McLaughlin, E. A. Froyd, P. B. Bell, W. R. King, G. L. Sullivan, E. W. Post, L. N. Menefee, C. C. McWhinney, E. H. Johnson, B. Fullerton, Agnes Langevien, Pearl Fitzgerald, Ellen True.

### BOXING CLASS TO START.

I. P. Hewitt and Jack Best to Conduct Series of Lessons.

It is probable that in the near future a boxing class will be formed similar to the one conducted here last winter. The class will again be under the instruction of Mr. Hewitt and Jack Best and will meet in the evening twice a week in the locker room of the gymnasium. The course will consist of twenty lessons and the fee will be \$5.00. Any student in the University whether he is taking any work in physical culture or not may join this class. Last year this was tried as an experiment and proved very successful. It is hoped that a large number will avail themselves of the opportunity presented. All desirous of taking the work should hand in their names to Dr. Clapp.

## NEBRASKA WINS

IOWA LOST BASKET-BALL GAME LAST NIGHT.

Contest Fast and Well Contested—The Cornhuskers Very Strong in Guarding.

Nebraska won a fast game of basketball from Iowa on the local floor last night by the score of 27 to 17.

The victory over the "Big Nine" team was due in great measure to the brilliant guarding of the Cornhuskers. They were able to "stay with their men" and very seldom let the Iowa players throw for goal without interference. The Bell brothers on the Nebraska team were always with their men.

In the last half the Iowa team was unable to do much, being well fatigued.

The first half opened with Nebraska scoring a field goal in the first half minute of play. During this half the teams played each other to a standstill, neither one seeming to have the better of the contest. The score at the close of this half was 16 to 9 in favor of Nebraska.

In the last half Iowa scored only one field goal, that coming near the close of the game. During these twenty minutes of the game Nebraska had an easy time. The Cornhuskers simply worked to prevent their opponents from throwing goals and succeeded well.

In goal throwing Walsh at forward for Nebraska and Perrin at forward for Iowa did the best work. The basket-tossing of the former was brilliant at times. He scored six field goals. Perrin's throws were fairly well tossed.

The crowd was large. A dance was given after the contest and was also well attended.

The visitors left this morning for Kansas City, where they will play the Kansas City Athletic Club tonight. The trip which the Iowa five is making includes four games. One was played with the Des Moines Y. M. C. A. Friday night, one with the Highland Park College team Saturday. The former game they lost and the latter they won. Line-up:

Nebraska.	Iowa.
Burruss.....R. F.....	Barton
Walsh.....L. F.....	Perrin
Moser.....C.....	Buckner
P. Bell.....R. G.....	Brown
D. Bell.....L. G.....	Burkheimer
