TELEPHONE CONVENTION.

Display at Lindell of Interest to Engineers.

There began yesterday morning at the Lindell Hotel of this city the annual convention of the Nebraska Independent Telephone Alliance and the meetings will continue over tomorrow. A number of displays of interest to and it is hoped that numbers of the Electrical Engineering students will avail themselves of the opportunity offered to inspect some of the most up-to-date electrical appliances in existence.

One of the exhibits will be of especial interest to Nebraska students owing to the fact that it is in charge of Murray Townsend, an ex-University man of considerable reputation. Mr. Townsend was for two years captain of Nebraska's Varsity baseball team and is now in the employ of a Toledo telephone appliance concern which he is representing at the present convention.
