 tion following the purchase of the ticket. The stub of the season ticket shall bear the name of the purchaser with the signature of the seller and shall not be transferable. Voters' tickets thus received shall be so marked and may not be exchanged for admission tickets afterwards.
 The board of registration shall consist of three members of the Athletic Board. They shall sit for one hour a day, three times a week for two weeks, to register voters.
 Registration shall be completed before nominations of candidates and tickets of different parties shall be announced. Registration shall take place between the first and fifteenth of April just preceding the election of that year.

Forest Club Meeting.
 On Saturday, February 2, Dr. Charles E. Bessey will address the regular meeting of the Forest Club on the topic "Florida Forests." Dr. Bessey has but recently returned from a journey in the South, and this program should be of especial interest to all who care to learn about tropical vegetation. The meeting is held in N. 110, at eight p. m.

Graduate Club Friday.
 There will be a meeting of the Graduate Club at the home of Mr. and Mrs. A. J. Sawyer, Seventeenth and C streets next Friday evening. At this will be one of the most interesting and instructive meetings of the year, every member is urged to attend. It should be remembered that every graduate student is a member of the club and is invited to take part in its meetings.

Former Baseball Star Back.
 "Red" Reeder, law '03, of Varsity baseball fame, is visiting in the city this week. Mr. Reeder is practicing law in Red Willow where he was elected county attorney last fall. "Red" was a member of the famous baseball team of '99 when the Varsity with Eddie Gordon in the box, cleaned up every team in the west.

The Journal of Tropical Medicine for January 1, 1907, contains a very complimentary notice of a pamphlet issued by the University, giving a careful account of the Anatomy of the American Cattle Tick. This was prepared a year ago by Mr. W. E. Allen as a thesis for the M. A. degree in the Department of Zoology. Mr. Allen is now at the head of the department of Natural Science in the Nebraska State Normal at Kearney.

In the Missouri legislature a bill has been introduced prohibiting football. It provides that no football games shall be played in any inclosure in the state, under a \$50 fine penalty. As the state university authorities are strongly in favor of football and have influence at the capitol, it thought that the bill will come to grief.

The Minnesota Daily is publishing articles by members of the faculty on "How I Earned My First Dollar." A series of articles on "My First Year Out of College," by alumni of the various college, relating their experience during their first year out of college, will also be published.

Professor Barbour is making analyses of several specimens of volcanic ash for some Black Hills parties who believe they have found a highly paying quality of this mineral.
