PROSPECTS GOOD.

Captain Rine Fairly Confident of Good Team.

Between twenty and thirty men are reporting to Captain "Billy" Rine in the gym every day for baseball, the cage having been moved from the basement to the gym proper, and allowing a better opportunity for a thorough work-out.

Besides the old men, among whom are Rine, Bellamy, Carroll, Cook, Schmidt, Denslow, Gaddis, and Dort, is a large number of new recruits. Little is known of this new material, save that good records are known to have been made.

The men at present, are trying out as follows:

Pitchers: Currie, Rhubesty, Ward, Kurtz, Stevenson, Fleming, Maxwell and Blake.

Catchers: Patterson, Carroll, Denslow, Burt, Carr, Burnett and Scrogens.

First base: Reamey, Carroll, Brodenck, Denslow and Feililmn.

Second base: Capt. Rine, Hawley and Beltzer.

Third base: Perry, Dudgeon and Sly.

Short stop: Beltzer, Hawley, Dudgeon and Perry.

Outfield: Cook, Bellamy, Schmidt, Funk, Reed and Pitchford.

Barbour Publishes Statement.

Professor Barbour has just published Part 6 of Volumell, on the "Evidence of Loess Man in Nebraska." The work is a scientifically valuable one as Professor Barbour strove to set forth the real facts uninflected by the psychological tendency to accept slight evidence as confirmatory. In the light of the facts he now has obtained, Professor Barbour is firmly of the opinion that the Nebraska Loess Man, so far as his skeleton is concerned, is a reality.

Sigma Xi.

The Sigma Xi will hold a meeting in Mechanics Arts hall Wednesday at 8 p. m., at which the following program will be given:

"Human Skull and Racial Significance with reference to Nebraska Man," by H. B. Ward.

"Comparison of Human Cranium," by Professor Barbour.

"Dwarfing of Alpine Plants," by Dr. Clements.

Comenius Club.

At the meeting of the Comenius Club last Saturday night, a very instructive address was given by F. A. Stech, principal of the schools at Bruno. Mr. Stech spoke on Bohemian literature, emphasizing the need of its study. Miss Emma Krisl, of the Conservatory, favored the club with an excellent vocal selection.

Miss A. E. Soukup, Dressmaker. Special attention given to students. 1136 O St. Auto 4603.

Dr. Haggard, 212-213 Richards Blk.
